'Growing together at the Heart of God's Community'

19th January 2018 - Our "Value for life" is Peace

"A friend loves at all times, and a brother is born for a time of adversity" - Proverbs 17:17

Head Teacher's Hello:

What a sight! Lighted Christingles waving in the dark whilst our wonderful children were singing "My Lighthouse" Thank you for all those who came and enjoyed last Friday's Christingle service at church. As you are reading this Newsletter you will have noticed I'm not in Celebration Collective worship...I'm at Birchwood CE Primary with the Glazebury upper keystage 2 football team (The Glazebury Gladiators!) having my FIRST ever Football match with Head Coach Mr Snelson...more next week to let you know how we got on. As always our door is open if you need us. Mrs Mowbray.

Please check your children's bags for the letter from the Governors letting you know about how they are looking towards the future of Glazebury CE Primary School. YOUR opinions are important to us and as always the children are at the centre of all that we do.

Welcome back to Mr Callis, who has been off poorly, we are all glad you're back. Parents may also notice that Mr Callis is no longer on the gate, in part this is due to added jobs that our 100+ year old building keep throwing at us, extra clearing of drains and those pesky leaves for example! To ensure that we can maximise Mr Callis' time on maintenance of our lovely school and health and safety requirements, we have organised teachers to come onto the yard at 8.35am on a rota basis and this also provides an opportunity to have a chat.

Please come along to see how you can get involved in raising money for the children. We are hoping to develop the playground for the children to enjoy all year round. If you feel you can donate time, services or just some great ideas please come along for a coffee and a chat on Thursday 25th January at 6pm in our staff room.

Please can you help the school office by sending in the correct change when paying for items in an envelope with the information of how much, the child's name and class and what it is paying for. Thank you.

A gentle reminder that the school day starts at 8.50am, children need to be sat at their desk ready to learn at 8.50am. I appreciate traffic is really busy in the area but please allow for this when planning your journey time.
