RHS Flower Show – Tatton 2017

As many of you will be aware, we are taking part in this year's Royal Horticultural Society Flower Show at Tatton Park. This is a very prestigious event and nearly all the children in school have been involved in planning, developing and creating the garden and some of the sculpture and artwork that will be involved in our Pied Piper of Hamelin-inspired garden.

This is a very prestigious event and a number of school's from around the country will be entering the school's garden category of the competition

Volunteers from our school staff, governors and gardening club parents and families will be helping us to the run the site during show days. In addition we have also received a discount code to allow us to book tickets at a discounted rate for any families of children in our school. Tickets for the show are normally £33.00 + booking fee, however, tickets bought through school can be purchased at £20.00.

Tickets are available for Thursday 20th - Sunday 23rd July (inclusive).

If you would be interested in buying tickets, please see the school office.
