

**Kinds of Special Educational Needs that are provided for at Glazebury CE Primary School.**

**Information about the School's Policies for identification and assessment of pupils with SEN.**

Pupils are identified as having SEN, and their needs assessed through:

- Concerns raised by the teacher, parent/guardian or the pupil themselves, or there is a change in the pupil's behaviour, attitude or progress. In these cases SENDCO and class teacher will perform a case study and make observations on said pupil to ascertain the level of need and what intervention(s)/ support to put in place. If agreed by all stakeholders, teacher, SENDCO, Head Teacher and parents/guardians a catch up plan will be written for this specific support.
- Information passed on from previous schools.
- Limited progress is being made after interventions/ targeted strategies are put in place.
- After further assessment from outside agencies.

Provision for SEN pupils includes:

- These programmes will be recorded on the whole school costed provision map.
- Pupil Progress Meetings are held every term with the SENDCO to discuss the progress of pupils. This discussion will allow for progress to be monitored and allow any potential problems to be highlighted and appropriate support be put in place.
