Dear Parents

Re: Homework

There seems to be some confusion regarding homework from school and I would like to take the opportunity to clarify. Firstly homework is given out on a **Monday** and returned on the **Friday**. The homework given will consist of a reading comprehension, math, spelling plus the expectation of reading every night. Homework given will be age related in content and volume.

Reading expectations are as follows:

Class 4 – **At least 5 Pages** of their book (**4 times** per week)

Class 3 – **5 Pages** of their book (**4 times** per week)

Class 2 – **5 Pages** of their book (**3 times** per week)

Class 1 – Home reads (**2 times** per week)

Reading journals must be in school EVERY day. Children in Class 3 and 4 must also **record what they have read and comment**, this is fundamental in aiding both written comprehension and composition. Children in Class 2 must record a sentence to indicate what they have read. For more guidance please take the opportunity to speak to your child's class teacher, examples will also be sent home.

If a child has any difficulty regarding completion of homework, please ensure the teacher is aware, we are all here to help children and their learning and will provide support sessions where required.

May I also stress that homework on a weekend will not be given, children's mental health and well-being is upmost in this consideration and spending quality time with family a priority. Thanking you in advance for your support .

Kind Regards

Karen Mowbray
