Dear Parents and Carers,

Reminder: lanyards

As you are aware we have been working with a charity called "Hidden Disabilities which is even more relevant during the Covid 19 Pandemic. We have a number of lanyards – green with sunflowers, the yellow of the sunflower stands out and reflects positivity, and these are now available and free of charge.

Anyone who would like to have one, please call into the office to acquire. There is no qualifying list of hidden disabilities, please note that some in our school community choose not to wear a lanyard and that is equally acceptable. It is always important to remember that some in our community may have reasons that preclude wearing a face covering and require understanding to be shown.

We see this in school as another extension of diversity and our mantra of same but different.

If you have any questions or concerns as always please contact school.

Kind Regards

Karen Mowbray

Head teacher
