16th October 2026 - Our "Value for life" is Compassion

"The Lord is gracious and **compassionate** slow to anger and rich in **LOVE**"
Psalm 145:8

Head Teacher's Hello

What a wonderfully creative week we have had! To celebrate Black History Month, we held a whole-school art day, with each class learning about a different Black artist and creating their own artwork inspired by their work. As a staff team, we reflected on how Black artists have been underrepresented in our curriculum, and we felt it was important to address this by giving our children opportunities to explore and celebrate the contributions of a diverse range of artists. Looking ahead, on 8 March, we will celebrate International Women's Day by exploring the work of a range of inspiring female artists. The children embraced the day with enthusiasm, curiosity and creativity, and we are incredibly proud of their efforts. We would love to share their fantastic creations with you, so please join us for a special art gallery next Thursday after school in the hall. We look forward to welcoming you and celebrating the children's achievements together.

We also have our Sip & Paint event on Monday straight after school, where children will create a masterpiece to take home! Finally, a little reminder that there are only five more get-ups until our Punctuality Pumpkins are awarded! Keep those morning routines on track. I can almost taste the soup already!

Paid holiday clubs and help with childcare costs

Four funded sessions may
not meet every family's needs

We know that four sessions of four hours may not meet every family's childcare needs. Some holiday programme providers offer additional sessions or hours for a fee, subject to availability.

Not eligible for a funded place?

Families who are not eligible for a funded place can still access these holiday clubs through directly contacting the provider. Charges will apply.

You may get help with your childcare costs

Families in receipt of Universal Credit may be able to claim help towards eligible additional childcare costs. The service must be Ofsted registered and the childcare arrangement must meet the relevant requirements. Speak to your work coach for more information.

Tax-Free Childcare

Tax-Free Childcare is a government scheme to help working parents with children aged 0-11 years with the cost of childcare. Parents can open an online account, through their Government Gateway account which they can use to pay for any Ofsted registered childcare.
