27th November 2026 - Our "Value for life" is Trust

"Trust in the Lord with all your heart….." Proverbs 3:5

Head Teacher's Hello

As we move towards the end of November, it has certainly been another productive week in school. It has been wonderful to see our lunchtime clubs continuing to flourish, with excellent uptake from pupils across the school. This week, I had the pleasure of supervising our Doodle and Sketch Club and was incredibly impressed by the pupils involved. Their behaviour was exemplary, their concentration levels were excellent, and they showed great organisation and creativity throughout the session. It was fantastic to see children enjoying the opportunity to develop their artistic skills in such a positive environment.

On Wednesday, we welcomed our safeguarding governor into school for a safeguarding walk. These visits are an important part of our safeguarding culture, providing opportunities to review our systems, speak with pupils and staff, and ensure that safeguarding remains everyone's responsibility. As part of the visit, several children completed a pupil voice questionnaire focused on safeguarding. We were delighted by the thoughtful and mature responses they provided, demonstrating a strong understanding of how to keep themselves safe and who they can talk to if they have any concerns. Thank you for your continued support. Have a wonderful weekend.

The HEART of our Curriculum:

H - Helping children prepare for life, growing with God.

E - Embracing Christian Values.

A - Achievement for all.

R - Reading at the heart of our school

T - Teaching a knowledge rich curriculum.

Our Trust's Prayer

Heavenly Father,
Let peace, friendship and love grow in our schools.
Send the Holy Spirit to give excellence to our learning,
love to our actions and joy to our worship.
Guide us to help others, so that we may all
Learn, Love and Achieve,
Together with Jesus.
Amen

GLAZEBURY CE PRIMARY SCHOOL

SAFEGUARDING PUPIL VOICE - NOVEMBER 2026

What makes you feel safe at school?

- Having playground monitors
- High fences around the school
- Being near teachers and friends
- Teachers keeping us safe on the playground

Who would you talk to about any worries?

- Mrs Jones, Mr Sharma, Mrs Smith or Mrs Scott
- Use the worry box in my classroom
- Speak to any member of staff near me

Are there any areas where you feel less safe?

- Near the Year 5 and 6 toilets at playtime, as teachers cannot see us

How does the school prevent bullying?

- Anti-Bullying Week
- Playground monitors and teachers
- The traffic light system
- PSHE lessons and resolving issues with friends

Why is it important to attend school every day?

- To learn new things
- To learn how to stay safe in and out of school
- To prepare for high school
- Staying number one in Warrington for attendance

What do you learn about keeping healthy?

- Brushing our teeth and personal hygiene
- Eating fruit, vegetables and balanced meals
- Avoiding junk food
- Only taking prescribed medicines

If someone were unkind or hurting you, what would you do?

- Tell a teacher or member of staff
- Tell my parents
- Tell the closest adult

What advice would you give to stay safe on devices, apps and games?

- Never share personal details
- Do not talk to strangers or random accounts
- Avoid unknown links and adult websites
- Watch out for hackers and online bullying

Christmas Tree Decorating

We are excited to see all the children's wonderful Christmas tree bauble creations. Reminder to bring your baubles in on Tuesday 1st December morning when the whole school get involved and decorate our Glazebury Christmas tree in the hall for all to see. The wonderful baubles are all the same but different and unique. Children will bring them back home on the last day of term for you to keep on your own tree. A prize will be given for the most unique bauble.

Don't forget to check out our notice board in the school playground.
Keep an eye open 👀 for our latest news and events.

If you would like to get involved with the PTA please let the office know. Everyone is welcome, no matter how big or small your contribution all goes towards helping our wonderful school and our wonderful children.

Winter Holiday Activities and Food (HAF)

Bookings are now open for the Winter HAF Programme! Children on **targeted** free school meals can book up to five funded activity sessions through the Holiday, Activities and Food (HAF) programme. Activities on offer include sports, crafts, cooking and family experiences, including a pantomime performance. There are also activities especially for our 12–16-year-olds, such as cinema vouchers, ice skating and laser tag, that they can enjoy independently without an adult. Following the FSM changes this September, extra funding has been secured at some clubs so they can provide more funded places to support those families who are on expanded free school meals. This is being funded through the Crisis Resilience Fund. When requesting a place, families should select a 'targeted' or 'expanded' ticket that reflects the FSM entitlement that they are eligible for. The attached flowchart explains the government changes and who is eligible to HAF.
The wide range of activities available this winter has been designed to help children stay active, make new friends, learn new skills and enjoy positive experiences throughout the holiday period.

Eligible families can find out more and book sessions at warrington.gov.uk/haf

Nursery Places

Please note: we will have limited nursery places available. Should you or anyone you know be interested in a nursery place, please speak to the school office for more details.

Lunchtime Clubs

Children are enjoying the lunchtime clubs organised by Year 5 and Year 6.

The clubs take place on **Monday, Wednesday and Thursday lunchtimes** and are class specific (dependant on the allocated day), as our Friday lunchtime is already dedicated to choir. The children will introduce a range of activities to cater for different interests and preferences.

The clubs include:

- Chess
- Creative Construction
- Doodle and Draw

Participation is entirely optional, and all children are welcome to take part if they wish. Children can sign up the day before and, on their chosen day, will have the opportunity to eat during the earlier lunch sitting before attending their club in Class 4 at **12.35pm**.

A huge thank you to **Mrs Goman** for overseeing this initiative and, of course, to our enthusiastic Year 5 and Year 6 children for their fantastic ideas and willingness to help create more exciting opportunities for everyone to enjoy at lunchtime. The clubs are proving to be a great success!

Rocksteady Music

"We have partnered with **Rocksteady Music School** to deliver fun and inclusive rock and pop band lessons, right here at Glazebury CE Primary School. They are visiting school to introduce their services on Monday 30th November to host an assembly and workshops for all the children.
It's the perfect way for your child to learn new musical skills and have fun, all whilst boosting confidence, wellbeing, social skills and even academic achievement.
Weekly lessons take place within the school day on a Monday afternoon starting from January 2027 and are led by an experienced, professional musician who inspires a love for music in children.
No experience is necessary and all instruments for lessons are provided.
Your child can learn to play electric guitar, bass guitar, keyboard, drums or vocals. Whichever instrument they choose to play, the wellbeing benefits of learning with Rocksteady - improved confidence, communication and teamwork - are the same, and most importantly, they are all great fun!
Children learn up to 300 musicianship, instrument and performance skills whilst playing the songs they love - all of which feed into an exam-free, Ofqual-regulated music qualification, accredited by Trinity College London.
As a parent, you will receive regular updates about your child's progress, and get the chance to see your child's band in action with end of term concerts that bring the whole school community together!"
Further details and charges for this service will come home with your children after the workshops have taken place.

Common Colds and the Administration of Medication

As we move into the colder months, we recognise that children may occasionally experience minor illnesses such as a runny nose, sore throat, cough or headache. If your child is otherwise well, does not have a high temperature, and is able to take part in normal school activities, we would encourage them to continue attending school. Often, simple measures such as staying well hydrated, keeping warm and taking appropriate pain relief can help children to feel more comfortable and manage the school day successfully.

In line with NHS guidance, our medication policy allows parents to send their child to school with Calpol if they are well enough to attend but would benefit from a dose during the day. Any medication sent into school must be accompanied by a completed **Parental Consent for Administration of Medicine Form**, available from the school office. Once the form has been received, staff will administer the medication in accordance with the instructions and consent provided.

If you have any questions or would like further information, please do not hesitate to contact the school office. Thank you for your support in helping us maintain good attendance while ensuring children receive the care they need.
