Dear Parents and Carers

14th June 2021

Breakfast Club and Extended Provision Arrangements for September 2021

We wanted to share the in-school arrangements for **breakfast** and **extended provision** for September 2021 with parents, as early as possible to enable organisation in-line with work commitments - drop off and pick up times in advance. I appreciate people are now starting to return to places of work, so it is important you are assured of childcare and this is in place.

Payment: As previously, breakfast and extended provision need to be committed and booked for the full half term in advance and paid directly into our bank account. This arrangement has worked well as it has enabled us to plan pupil/staff ratios. We have reviewed our pricing structure and fees will remain unaffected for next academic year.

Breakfast Club	7:30am to 8:50am	£3.00 per session	available to children Nursery to Year 6
Extended Provision	3:15pm to 5:15pm	£5.00 per session	available to children Nursery to Year 2**

arrangement for **Year 2 only when attending extended provision, they will be able to take part in which ever curriculum club is running Monday–Thursday inclusive and then at 4:15pm will then have a light tea provided and be able to play until collection from our extended provision. This is all provided at the above session fee.

If your child has attended these provisions this academic year, we will provisionally book them for September for the same sessions they attended in Summer term 2, if you wish to change the specific days attended then please contact the school office. **If you have not used these provisions before and would like to, then please complete which days you require and return to the school office as soon as possible.**

Name of child/children: _____ **Year group/s:** _____
