24th July 2025

Dear All Parent / Carers

As we reach the end of the 2024/25 school year, on behalf of all our governors, I would like to look back on what we have achieved together over the past 12 months. With the Glazebury HEART at our core, we are completing another year filled with individual, group and school-wide challenges, successes and learning.

To our pupils, we would like to thank you for your hard work, your energy and your love and respect for each other and for your teachers. I was, once again, proud to join our Year Six children at their leaving service at Liverpool Cathedral in June and I would like to wish them all every success as they move on to High School.

To our parents, we would like to thank you for the support you have provided both to your children and to the teachers and staU. Your active support for the education of your children has a real impact on their progress, their achievements and their enjoyment of school life. We'd also like to thank the PTA – the work that they do in organising events for the school does not only raise vital funds for the school but also enhances the friendship and comradery in our community.

To Mrs Mowbray, Mr Sharma and all our teachers and staU, your dedication and commitment to providing our pupils with the best education as well as a kind and supportive environment, in sometimes challenging circumstances, is hugely appreciated. We would particularly like to thank Miss Foster and Mrs Cunningham who are leaving us at the end of the term, and to give them our best wishes in the future.

Finally, we would like to thank the LDST Trust Directors and the wider Trust community. Over the past year they have provided invaluable educational and developmental support and direction to Mrs Mowbray, Mr Sharma and all the staU and to us governors. Furthermore, they have provided the financial backing that enabled us to carry out essential repair works in 2024, and to replace our 150-year-old roof in the coming months.

We hope you all can enjoy and relax during the summer break, whatever you are planning to do, and will return with energy and enthusiasm in September.

Best wishes

Dave Beechey
Chair of Governors
