

## 'Growing together at the Heart of God's Community'

10<sup>th</sup> May 2024 - Our "Value for life" is "Humility".

"Be completely humble and gentle; be patient bearing one another with love" Ephesians 4:2

Head Teacher's Hello

Dear All,

I hope you all had a wonderful bank holiday, just to also say (very quietly as I don't want to jinx it!) that the warmer weather means we are on our field. Please know that each grass stain and muddy mark is a memory made, so please accept our apologies in advance for the extra washing.

Next week we are hoping for a sea of calm as our year 6 children participate in the SAT assessments, please know it is not the percentage that matters BUT that each child tries their best to show just how clever they are and shares their knowledge and learning in completing the papers set. We will be holding the year 6 breakfast club, so children can socialise and help each other to be calm and chat each morning. We will be supporting each day to ensure the children know that tests do not test everything a child can do and we will all be there for them.

Looking forward to seeing you all in your space crafts at film night next week, I am trying to find a large box for my craft. I haven't decided on a rocket or an alien saucer! Mrs Mowbray.

We are a church school...

Love never fails 1 Corinthians 13:8

We have been exploring how to live a Humble life and how we can always admit we are wrong and make amends.

So, what do we learn of Saint Columba?

He was humble enough to admit that he had been wrong and ask God and his friends for forgiveness. He also knew he needed to make amends and show he needed to put others first.

He worked hard on the isle of Iona, within his community, church and helped the poor and worked to make the world a fairer place. He still is an example today to show how being humble can help us all.

**LDST Attendance Hub**

Welcome to the LDST Attendance Hub section of our website. We are delighted to be learning and working alongside schools in the North West focusing on attendance and punctuality. Our Attendance Hub is all about reflecting on what we do to support attendance in our settings and to save schools time by sharing resources that they can adapt and tweak for their own settings.

Schools attending our Attendance Hub are invited to take part in six half termly sessions. These sessions focus on 6 different areas which feature as part of our attendance and punctuality quality mark.

The sessions include:

1. 'Moments Matter' Culture
2. Leadership
3. Improve Attendance and Reduce Persistent Absence (PA)
4. Communication with Parents/Carers
5. Data Driven
6. Proactive Provision

**June 5<sup>th</sup> 1876** -sent James and Thomas Thom home as their mother persists in sending them without school monies.

**July 17<sup>th</sup>-1876**- Mary Adamson prevented to come into school by the flood.

### Aspirations Afternoon

After the great success of our Career Aspirations event last year, and a huge thanks to those that took part last year. We are pleased to say we are continuing this tradition. Our **HEART** curriculum includes a focus on ensuring our children have exposure to opportunities that may inspire them for the future. This event will allow children at Glazebury to discover the knowledge and skills they would require for future learning and employment pathways. We would love for our children to experience as many varied careers as possible.

**Do you or your company think you may be able to support this event and have the time to attend on Tuesday 25<sup>th</sup> June in the afternoon. (if you helped last year and are willing to do this again that would be fabulous)**

**What does it entail?** - If you can attend and possibly bring any information or artifacts that represent your role, or any suitable equipment to bring your career to life. If you can talk to the children for about 5 minutes and be prepared for them, in year groups, to listen to your expert knowledge and ask questions. If you think you will be able to help and provide this vital service to expand our children's aspirations.

**Please contact Mrs Holcroft for further details ([glazeburyprimary@ldst.org.uk](mailto:glazeburyprimary@ldst.org.uk))**

**Themed Cinema Night** – Reception to Year 6 - the theme for our cinema night is Space. Children are invited to make a spaceship or something space themed (maybe a cardboard box decorated) to bring along and watch the film with, this is optional.

This event is on **Friday 17<sup>th</sup> May, after school at 3:15pm and the film will start at 3:30pm**, children can be **collected at 5pm** outside the school hall doors.

**The price is £3 per child, £5 for 2 children and £7 for 3 children**, this includes popcorn and a drink. This event is now live on ParentPay so please book your tickets as soon as possible so we can cater for the numbers.

**Culcheth Year 6 Transition Day** – please note we have been informed by Culcheth High School the transition days for year 6 this year are **Wednesday 3<sup>rd</sup> and Thursday 4<sup>th</sup> July** which is two days.
