7.6.2021

Dear Parents and Carers,

As communicated last term, we will be holding our **school sports day on Thursday, 10th June, 2021**. With the summer Olympics on its way, just as we hope our Olympians will be setting personal bests, we will be asking the classes to use this opportunity to set the Glazebury record in each event which will then be documented for prosperity! This will become the standard that future year groups attempt to achieve.

With social distancing measures still in place, we have decided that each class will have a dedicated time slot during the day for parents/carers to attend and support rather than hold an event which includes the whole school at one time. The allocated times are as follows.

Year 5 & 6 – 9:10 – 10:10am

Year 3 & 4 – 10:45 – 11:45am

Year 1 & 2 – 1:00 – 2:00pm

Early Years – 2:15 – 3:00pm

In between class events, all equipment will be wiped down and, as a result, **we ask parents to vacate the field even if they have children participating in different class events that run concurrently**. This is in line with our risk assessments for the day.

Should the weather not be favourable, our Sports Day will take place indoors but unfortunately, we will be unable to invite spectators to watch if this is the case. We will send a text on the Thursday morning if this is the case, in this event, class teachers will ensure photographs are taken and shared with parents and carers.

As per our school sunscreen policy, children are encouraged to wear sun hats (preferably with a peak that provide adequate coverage for the head, face, ears and neck) and I'd like to remind you that parents and carers are responsible for applying a **good quality all day** sun cream / sun block before their child arrives at school each morning; this will be particularly important on Sports Day.

Children will have water bottles outside with them and there will also be a refreshment station as children complete their activities. Sadly, due to current measures and staffing levels, we are unable to offer refreshments to parents and carers.

Full school PE kit need to be in school for this date, as we are unable to offer spare kit across multiple class bubbles.

Kind regards

Mr. Snelson
PE Subject lead
