"Forgive and you will be forgiven". Luke 6:37

Head Teacher's Hello

Dear all,

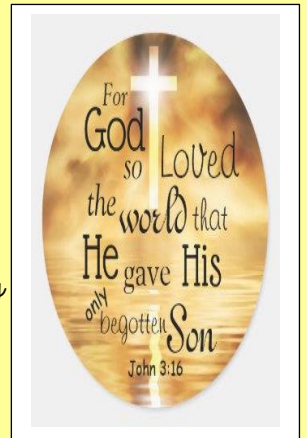

As we approach the last week of term, as usual it has been a very busy one. The children in year 3/4 represented the school fantastically with the art and performance at Parr Hall on Tuesday evening. The behaviour from our children was exemplary and the confidence from the children shone, both parents/carers and myself were very proud of them all. Thank you to all our children, Mrs Goman, Mrs Walsh and Ms Ross and parents/carers for supporting. We have also had our Easter bonnet and decorating an egg competition - again thank you to all who took part and for all those that came to clap them along.

Our event was an opportunity to also say *Goodbye and Good Luck* to some of our Glazebury family.

Our lovely Reverend Jan, who is retiring...I think we all managed to surprise her, and she was overwhelmed by the kindness and love shown... I have never seen her speechless! I know like you, that I feel privileged to have worked alongside such a Godly, giving and kind person and although retiring, I am delighted that we will still see her as a Grandma in the future.

We also say goodbye to our dear Mrs Smith, who is leaving for a new adventure in life, we wish to say thank you for all you have done for our school and the children of Glazebury, and we wish you well for your bright future.

Easter is considered to be the most significant in the Christian calendar and equally shares a message of hope, joy, and the knowledge that we are loved. Have a super Easter, and see you all next half term. Mrs Mowbray.

We are a church school... **Embracing Christian Values**

Happy Easter to all and as the vicar of Dibley says - Chocolate and Jesus what more can you want!

Education update: where we inform on educational research and thinking.

Today ... Tapestry is coming to Glazebury - more information to follow and parents/carers meeting to be arranged so you can see more of what our children in nursery and reception are doing on a platform where parents/carers can contribute too.

The **HEART** of our Curriculum:
