## 'Growing together at the Heart of God's Community'

28<sup>th</sup> April 2023 - Our "Value for life" is "Creation".

*"Let there be light" and there was light. Genesis 1:3*

### Head Teacher's Hello

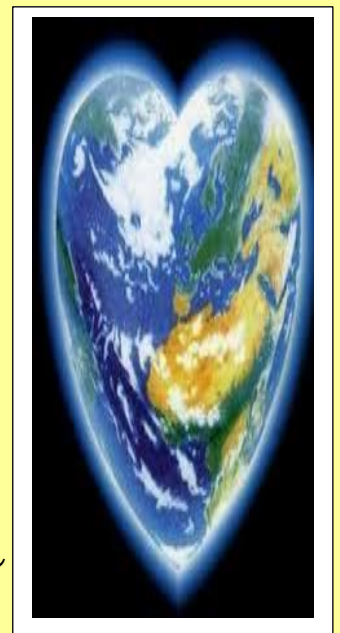

Dear all,

This week in school we have been considering God's creation – our world, and children have been reflecting how we are going to all contribute to looking after it. I heard one year 1 child say he would sweep up all the litter in the world ...I love the ambition and its true, that each one of us that do one small part would make a huge difference to look after our world.

We have been working hard again in school this week, lots of learning... have you checked out twitter? We have lots of learning and smiles for you to see. We have also officially launched our EYFS app -Tapestry this week, this is where our younger children have observations posted for parents and carers to see learning in action.

Our Ethos group are working hard on the coronation party that we are having soon, please check out the letter sent home and details in the newsletter below, if you would like to join us you will be very welcome for a cup of tea and a slice of cake!

School Council are also discussing how to have another food bank drive to help those in these difficult times, more news will follow of how they would like us all to help. As you can see your children are being so responsible and caring – I am so proud of them. *"The world is the Lords in all its fullness Psalm 24:1"* Mrs Mowbray.

### We are a church school...

#### Embracing Christian values -

Children are collecting used shoes (or even new ones) to help others- Hand crafted posters coming soon...can you help by donating your shoes?

Education update: where we inform on educational research and thinking.

#### What are Big Ideas?

These are key facts relating to your child's topic, we put these together to inform the children and help them retain the knowledge that will be taught and explored, we use these in class and children can look back and refresh their knowledge. Next week...why do we use mind maps?

The **HEART** of our Curriculum:

**H** - Helping children prepare for life, growing with God.

**E** - Embracing Christian Values.

**A** - Achievement for all.

**R** - Reading at the **heart** of our school

**T** - Teaching a knowledge rich curriculum.

Our Trust's Prayer

Heavenly Father,  
Let peace, friendship and love  
grow in our schools.  
Send the Holy Spirit to give  
excellence to our learning,  
love to our actions and  
joy to our worship.  
Guide us to help others,  
so that we may all  
Learn, Love and Achieve,  
Together with Jesus.  
Amen

Teachers Strike – Tuesday 2<sup>nd</sup> May 2023

As you may be aware the NEU Teaching Union have called its members to commence strike action on Tuesday 2<sup>nd</sup> May 2023.

At Glazebury CE Primary School we have a number of teachers in the union who will be exercising their right to strike, and as a result, our school will be partially open.

**We will be closed to pupils in Reception, Class 3 (year 3 and year 4) and year 5 on Tuesday 2<sup>nd</sup> May 2023. We will be open for children in nursery, class 2 (year 1 and year 2) and year 6 who will be in school.**

**The Coronation of King Charles III** – we will be celebrating the Kings Coronation next Friday, 5<sup>th</sup> May in the afternoon with a party and we have 2 plans according to the weather on the day.

Children can come to school in red, white, or blue clothes – or all 3 colours on Friday if they wish.

A letter has been sent home with details of all the celebrations that will take place.

Plan A - Parents and carers are welcome to join us for a traditional cup of tea and slice of coronation cake at 2pm.

Plan B if it rains – We will be able to fit all the children in the hall and go ahead with the celebrations, but unfortunately this will mean we there will be no room for parents and carers, so let us all keep our fingers crossed that the weather is kind to us,

**School Council** – met this week and Joshua, year 6 said 'we talked about the Kings Coronation and what we could do on the day to celebrate'

**Gardening Club** – are asking for your help. They would be very grateful if you have any fruit or vegetable plants or any bedding plants that you can donate, the children would love to plant them in the school gardens to make them look beautiful and grow our own produce. Please contact Mrs Holcroft in the school office on 01925 763234 if you can help. Thank you in advance.
