Dear Parents and Carers,

Happy New Year. As part of our continual drive to improve standards at Glazebury, we have reviewed our current behaviour practice with staff and children. We would like to take this opportunity to remind you of our current practice and share updates with you.

We believe the key to promoting good behaviour is to have high expectations that are applied consistently and fairly throughout the school. As a school we reward good behaviour as it develops an ethos of kindness and co-operation. Our approach is designed to promote good behaviour, rather than merely deter antisocial behaviour. However, the school employs a number of consistent sanctions to enforce the school 'Golden' rules, and to ensure a safe and positive learning environment for all. Below is a simplified copy of what is displayed in your child's classroom, the hall and supported by Class dojo.

<i>All children start each day on green.</i> Fantastic behaviour being shown	Green	Ready to learn
Reminded of Golden Rules.  When behaviour is modified, child highly praised and name goes back to green.	Amber	Low level incidents- for example shouting out, chatting, nudging, distracting others.
<ul style="list-style-type: none"><li>When behaviour is modified, child highly praised. Child to acknowledge the improvement of own behaviour by apologising. Name is moved back to amber then eventually green.</li><li>5 minutes play lost</li><li>Teacher completes a low level incident form.</li></ul>	Red	Persistent repetition of amber behaviour  Or immediately if...  Used inappropriate language or purposely hurt others.

If a pupil continually causes disruption after receiving a red or their behaviour could be dangerous, we will make contact with a parent/carer via class dojo, telephone or face to face conversation with parent. If a child has missed work as a result of poor behaviour, this must be completed at break time or at home.

The main points about our behaviour system include;

- Each child will be moved up or down the behaviour system as required and this information will be shared, when appropriate, through Class Dojo.
- All children will start each day on green, so have a fresh start.
- If a child gains 10 Class Dojo's over the week they will receive a sticker on a Thursday (placed on bookmarks) and their name will be printed in the school newsletter. A central record will be kept of children who have reached 10 dojo's each week.

After listening to feedback from parents, pupils, staff and in conjunction with the school council, we wish to clarify the expectations of Class Dojo- all staff will update the dojo app a **minimum of 3 times** on the electronic system, weekly. (please make sure you are signed up for the app). We will continue to ensure pupils receive a sticker on **Thursdays** to indicate they have reached the 10 dojo points required, their name will be printed on the weekly newsletter and they will stand up in 'Celebration Collective Worship' on Fridays. From the central records rewards will be planned as follows:

5 golden tickets in autumn	Mrs Mowbray's High Tea
5 golden tickets in spring	TBC by the School Council
Whole school target to be set by School Council in Summer	Summer Celebration Day  Themed to be decided by School Council

The School Council decided that to make sure children have an added incentive to keep collecting golden tickets after they have reached their 5 in autumn and spring, there will be a year group champion announced on the penultimate Friday of each full term. This champion will have collected the most golden tickets that term out of their year group. They will have their photograph taken for our behaviour display, be allowed to come into school in their own clothes on the date agreed and have a special breakfast to start their day with Mrs Mowbray! There will be eight champions in each term.

The children have agreed, as in the previous year, in the summer term they will work as a whole school to earn a set amount of golden tickets to earn a whole school 'Summer Celebration' day, rather than individually as in the other two terms. The School Council will plan this.

Everyone within our school community has rights and responsibilities to ensure that Glazebury C of E Primary School is a safe place in which to learn, work and play. Any questions or concerns please do not hesitate to discuss this further with myself or Mrs Mowbray. We appreciate your continuing support in this important part of school life.

Yours sincerely,  
Mrs K Wall (Deputy Head)
