20th November 2026 - Our "Value for life" is Trust

"Trust in the Lord with all your heart….." Proverbs 3:5

Head Teacher's Hello

I would like to start by saying a huge thank you to our PTA for all their hard work, time and dedication in raising funds for our school. Their efforts make a real difference to the opportunities and experiences we can offer our pupils. Thanks to their fundraising, we have recently purchased new high tables, low tables, chairs and cushions for Class 4. These will provide more flexible learning spaces, supporting different ways of learning and helping us to meet the needs of all our pupils.

I would also like to thank all our parents and families for their continued support and generosity. Whether supporting PTA events, contributing towards our Trust's link school in Uganda, New Hope, or getting involved in school activities such as Odd Socks Day during Anti-Bullying Week, every contribution is greatly appreciated.

A special thank you also goes to Mrs Goman and our Year 6 pupils for organising our lunchtime clubs. So far, children have enjoyed Chess, Creative Construction and Doodle and Sketch. Children can sign up with the Year 6's if they would like to take part. It is wonderful to see our school community working together. Thank you all for your continued support!

Nursery Places

Please note: we will have limited nursery places available. Should you or anyone you know be interested in a nursery place, please speak to the school office for more details.

Please remember **we are a nut aware school,** we have children in school with nut allergies, therefore please ensure your child's snack and packed lunch do not contain any nuts and check ingredients if you are not sure.

Attendance Challenge

Be in school on time every day in November – 6 days left to receive a chocolate advent calendar on 30th November for you to enjoy during December.

Everyday counts – let's make November amazing!

All Saints Church Toy Service

All Saints Church are having their annual Toy Service on Sunday 22nd November at 11am. The church invites you to bring along new unwrapped toys which will be donated to The Youth Zone Warrington and will be distributed to local families who may be in need.

Please drop any donations off at the church or at school if you are unable to attend the service but would still like to donate. Thank you.

Lunchtime Clubs

Children are enjoying the lunchtime clubs organised by Year 5 and Year 6.

The clubs take place on **Monday, Wednesday and Thursday lunchtimes** and are class specific (dependant on the allocated day), as our Friday lunchtime is already dedicated to choir. The children will introduce a range of activities to cater for different interests and preferences.

The clubs include:

- Chess
- Creative Construction
- Doodle and Draw

Participation is entirely optional, and all children are welcome to take part if they wish. Children can sign up the day before and, on their chosen day, will have the opportunity to eat during the earlier lunch sitting before attending their club in Class 4 at **12.35pm**.

A huge thank you to **Mrs Goman** for overseeing this initiative and, of course, to our enthusiastic Year 5 and Year 6 children for their fantastic ideas and willingness to help create more exciting opportunities for everyone to enjoy at lunchtime. The clubs are proving to be a great success!

Rocksteady Music

"We have partnered with **Rocksteady Music School** to deliver fun and inclusive rock and pop band lessons, right here at Glazebury CE Primary School. They are visiting school to introduce their services on Monday 30th November to host an assembly and workshops for all the children.
It's the perfect way for your child to learn new musical skills and have fun, all whilst boosting confidence, wellbeing, social skills and even academic achievement.
Weekly lessons take place within the school day on a Monday afternoon starting from January 2027 and are led by an experienced, professional musician who inspires a love for music in children.
No experience is necessary and all instruments for lessons are provided.
Your child can learn to play electric guitar, bass guitar, keyboard, drums or vocals. Whichever instrument they choose to play, the wellbeing benefits of learning with Rocksteady - improved confidence, communication and teamwork - are the same, and most importantly, they are all great fun!
Children learn up to 300 musicianship, instrument and performance skills whilst playing the songs they love - all of which feed into an exam-free, Ofqual-regulated music qualification, accredited by Trinity College London.
As a parent, you will receive regular updates about your child's progress, and get the chance to see your child's band in action with end of term concerts that bring the whole school community together!"
Further details and charges for this service will come home with your children after the workshops have taken place.

Return all baubles back into school on the morning of Tuesday 1st December ready to decorate the Christmas Tree.

Glazebury Christmas Bauble Competition

Each child has been sent home with a clear bauble, tag and string so they can decorate by painting, glueing, glittering and filling – whatever you want to do.

Each bauble will be the same but different.

Decorate your bauble at home, add the label using the string provided with your child's, first name and class.

Bring the bauble back to school on the morning of Tuesday 1st December 2026, the whole school will decorate the Christmas tree together in collective worship and every child will hang their bauble on the tree in the hall so all can enjoy.

Your child will then bring their bauble back home on the last day of term to hang on your own Christmas tree.

A winner will be chosen for the most amazing creation and the winner will receive a Christmas prize.
