

'Growing together at the Heart of God's Community'

5th July 2024 - Our "Value for life" is "Wisdom".

"For the Lord gives **wisdom**, out of his mouth comes knowledge and understanding" Proverbs 2:6

Head Teacher's Hello

Dear All,

The school week started with its usual bustle, I heard children giggling in nursery as they were trying to rescue the pom poms, class 2 singing in class so beautifully. I also saw class 3 enjoying the demands of their fishing experiences outside and then.... a hush descended on school as our year 6 went to their transition meetings at their high school...so I now know who makes the noise! 🤫

Whilst the year 6 children were experiencing their new schools, we had a transition afternoon for our classes, Mr Sharma came and met all the children that will be in his class next year. Our lovely Reception who will be year ones are yet to meet Ms Foster, we are just waiting on Ms Foster to be able to confirm the date she can attend school - It will be before we break up.

As we are changing rooms for many children after summer term finishes staff will ensure the classes are set up (staff are still in school as we have 2 days of inset training) and I am taking photos and putting them in a booklet that I will then email out to all children and put on our website so children can see the classrooms set up before they come back to school. Gosh where is the time going. I look forward to seeing you at our Summer Fair next week (Friday after school) and hope to see you then.

Mrs Mowbray "Wherever two or three of you come together in my name - I am there with you."

Matthew 18.20

We are a church school...

Love never fails 1 Corinthians 13:8

We have been looking at Soloman and thinking about how he showed his wisdom, we also realise that we may need help to be wise...

Reflection:

Sometimes we can need help to make the right decisions.

Sometimes our older relatives or teachers know what's right in a situation because they're older and have had more time to make mistakes and learn how people work than us.

Learning how to be wise ourselves is important - very often as important than any other learning we do in school.

Our Trust's Prayer 

Heavenly Father,
Let peace, friendship and love grow in our schools.
Send the Holy Spirit to give excellence to our learning,
love to our actions and joy to our worship.
Guide us to help others, so that we may all
Learn, Love and Achieve,
Together with Jesus.

Amen
