

'Growing together at the Heart of God's Community'

17th April 2020 - Our "Value for life" is Humility

Be completely humble and gentle; be patient, bearing with one another in love. Ephesians 4:2

Head Teacher's Hello

Hello to one and all,

'Kindness is a language which the deaf can hear and the blind can see' Mark Twain. He was an American writer born in 1835 and wrote 'The Adventures of Huckleberry Finn'. I bet that he never realised how important that quote would be 185 years later. Being kind is the root of showing love for one another, and I would like to say thank you for the kindness shown to the staff this week with gifts of flowers, chocolate and biscuits...it is never the gifts but the thoughts behind them that are true actions of kindness and love. Thank you.

Both Mrs. Wall and myself are going to be postmen on Friday and Monday to deliver the next two weeks home learning packs. I have also popped in a pencil with a rubber, tiny coloured pencils, sharpener and books to use for work and most excitingly we have left you a pot and seeds to plant and watch how they grow. Well, we do say we are: **Growing at the heart of God's community!** If you watch them over the next few weeks and want to send photos into school please do, as I have sent lots of different varieties of plants out ...what will you grow?

Please keep safe, keep strong and keep smiling, you are all precious and we will endure this together with kindness and love. Mrs. Mowbray

The Rainbow Children by Gemma Peacock

The history books will talk of now,
That time the world stood still.
When every family stayed at home,
Waved out from windowsills-
At those they loved but could not hold,
Because they loved them so.

Yet, whilst they did they noticed all the flowers start to grow.
The sun came out, they can recall,
And windows, rainbows filled.
They kicked a football in their yards,
Until the night drew in.
They walked each day but not too close,
That time the world stood still.
When people walked straight down the roads,
That once the cars did fill.

They saw that people became ill,
They knew the world was scared.
But whilst the world stood still they saw, How much the whole world cared.
They clapped on Thursdays from their doors,
They cheered for the brave.
For people who would risk their lives,
So others could be saved.

The schools closed down, they missed their friends,
They missed their teachers so.
Their Mam's and Dad's helped with their work,
They helped their minds to grow.
The parents used to worry that,
As schools were put on hold,
Their children wouldn't have the tools,
They'd need as they grew old

But history books will talk of them, now adults fully grown.
Those little boys and girls back then, the ones who stayed at home.
They'll tell you that they fixed this world of all they would fulfil.
The RAINBOW children building dreams.
They'd dreamed whilst time stood still.

BY THE HAND

When you're in the dark or on a narrow path,
you need someone to lead you by the hand,
to hold your hand tight.

You need someone to rely on.

God says we can rely on Him

I've got you by the hand and I'll never let you go!
No matter where you go, no matter what you do,
you always have a hand to hold you.

**I will lead you,
guide you,
keep you.**

Even through death I won't ever let you go!

"I will take you by the hand." (Isaiah 42:6)
