28th June 2021

Dear Year 5/6 Parents

Ref: Puberty Presentation

On **Wednesday 7th July**, Alice Whitley, who is a member of the school health team, will be delivering a presentation to the children in Year 5 and Year 6. During the presentation, the children will cover issues on physical and emotional changes that occur during puberty. The boys and girls will be split up for certain parts of the presentation when more gender specific issues will be discussed. Following the presentation, the children will participate in a quiz to evaluate their learning and then they will receive a leaflet which can be taken home.

The presentation will be in line with the school's policy and will be followed up in class with appropriate PSHE and RSE lessons for the remainder of the half-term.

She will be available in the school outside classroom at 9.00am on the morning to give an outline of the presentation to any parents who require this or have any questions they would like to raise. Should you wish to speak to the nurse please can you let the school office know so they can arrange your meeting, due to Covid we cannot accommodate a drop in session this year.

If for any reason you do not want your child to participate in the presentation, then please inform me as soon as possible.

Yours sincerely

Mrs K Wall
Deputy Head Teacher
