'Growing together at the Heart of God's Community'

24th March 2023 - Our "Value for life" is "Forgiveness".

"Forgive and you will be forgiven". Luke 6:37

Head Teacher's Hello

Dear all

It was lovely to see so many of you at parent's evenings this week, it was a great opportunity to have a chat about how your children are progressing. Thank you to those who completed the questionnaires, your comments are appreciated, and we will be publishing the results next week.

I often say how we learn new things every day, well I was put to the test on Thursday night during the PTA Easter bingo, when a caller was needed...I wasn't sure of my 2 little ducks and my Rishi's den number ten...so I promise to do my own homework next time and get the terminology right! It was such a good evening and really well attended, the hot dogs were lovely and lots of Easter egg prizes were won...yum. We even had some to spare which will go into our food bank for other families to enjoy - Thanks to all for a great evening, especially those who helped run the event.

Our year 6 are on their residential next week, we have our Easter bonnet and Easter egg competition and our last day with Reverend Jan with our Easter service...lots to look forward to.

Mrs Mowbray

We are a church school... **Embracing Christian Values**

We discussed Lent this week and how this can link to giving up things and being a time to prepare. We thought giving up anger and forgiving others that make the wrong choice would be a real positive in helping ourselves avoid being resentful. Wise words from our children.

Education update: where we inform on educational research and thinking.

Assessment for learning: At Glazebury one way we do this is by using our pink highlighters to show children the success in learning that they have achieved. We also use green (green to grow) to indicate that there is an area of development that we can learn and grow from...Hope you have seen this in books this week.
