**11<sup>th</sup> May 2020**

**Ref: School Opening**

**Dear Parents, and Carers,**

We all listened I am sure to the Prime Minister on Sunday, awaiting for detail and clarity with regards to the easing of the current lockdown particularly in relation to schools.

The statement heard, whilst giving generalities unfortunately **did not give the detail nor clarity** for school to answer the many questions you must have.

I am aware that our Prime Minister has said that Year 6, Year 1 and Reception are the key groups to return to school BUT did not give specific information that is needed. Nor did it give information about the key workers we are currently open for, I am sure this will be forth coming. I do have action plans ready to re-open the school however without the guidance from the government we can not proceed.

My staff and I really understand your frustration as many are in the same position as yourself.

The guidance from the government is **due sometime this week**. As soon as we have the information we will let you know as quickly as we can and rest assured we will give specific information to you.

We will continue to look after the children of our valuable frontline staff and continue to provide the home learning packs for all. We are here for you at all times and look for your continuing patience, and support.

Kind Regards

Mrs. Mowbray

Head Teacher
