**Dear Parents and Carers**

**Re: EYFS Entrance**

As you are aware, where possible we try to listen to the thoughts and opinions of all, especially our parents. Many parents have often said they would like the opportunity to shelter from the inclement weather. We can not place a shelter onto the playgrounds as it could potentially impact on the 'Daily Mile' and sporting activities, however as we have the outside classroom with a roof it seemed a possible solution for at least the EYFS parents.

With this in mind, we have run a trial for two weeks to see if our EYFS parents and children would be better served using the entrance into school nearest the outside classroom so parents can shelter from the rain and have benches to sit on.

From a school perspective it has had a positive impact with regards to promoting children's independence however it is YOUR decision if we keep using this entrance or return to the previous one off the key-stage 1 playground. Please have your voice heard and fill the slip below in and hand to the EYFS staff this week.

Kind Regards

Karen Mowbray  
Head Teacher

**EYFS ENTRANCE SLIP FOR PARENTS AND CARERS:**

**Please tick the option you would like:**

I would like to keep using the entrance near the outside classroom.

☐

I would like to return to the entrance on the key-stage 1 playground.

☐

**Parent Name:**.....

**Child's Name:**.....
