**"Growing together at the heart of God's community"**

**Trust Prayer:**

*We thank you, God of Love, for the gift of children,  
bless the work of our Trust, that in all we do  
young people may grow in wisdom and stature,  
and so come to know you,  
to love you and to serve you,  
as Jesus did.*

*We make our prayer in his name who is God  
with you and the Holy Spirit, now and for ever.*

## Promoting British Values Policy & Guidance

### School values central to life in our community

At Glazebury CE Primary our core values of **Love and Wisdom** are at the centre of all that we do and all that we are. We feel that the values of friendship, truthfulness, hope, peace, creation, trust, compassion, justice, humility and forgiveness are fundamental to the growth of all.

**Love never fails, 1 Corinthians 8:13**

**For the Lord gives wisdom : from his mouth comes knowledge and understanding.  
Proverbs 2:6**

### Intent:

## **The HEART of our Curriculum:**

**H – Helping children prepare for life, growing with God.**

**E – Embracing Christian Values.**

**A – Achievement for all.**

**R – Reading at the heart of our school**

**T – Teaching a knowledge rich curriculum.**

Through its broad and balanced curriculum, extra-curricular activities, teaching and learning this school will promote and identify British values. By doing so, we will ensure that all learners understand the values that have traditionally underpinned British society. We will also make connections and link to the Christian values evaluated within school life. The teaching of these values will promote cohesiveness within our school, community and world. We will prepare children for life in England Britain where the population has an increasingly rich diversity of backgrounds, origins, beliefs and cultures by promoting the values on which our society has been built. And by teaching children these values we will help all to become good citizens of the United Kingdom of Great Britain and ultimately the world.

### **Objectives**

1. To ensure that all develop an understanding of the values which underpin life in Britain.

2. To teach children to have a mutual respect and tolerance for, and an understanding of the various faiths and beliefs represented in Britain today.
3. To ensure that all learn to uphold the rule of law and support freedom, justice and equality.
4. To help all understand and value the rich diversity that other citizens from different cultures, religions and backgrounds bring to our national society.
5. To value people's differences and respect them.
6. To develop children's awareness and tolerance of communities different to their own.
7. To value democracy and to stand up for right against wrong.
8. To care for the sick, the poor, the weak and the old and treat them as valued members of our society.
9. To ensure that learners become loyal and patriotic citizens of the United Kingdom.

### **Implementation:**

- The school will promote British values through its teaching, learning across the subjects of the curriculum to help all understand how the values have underpinned life in Britain throughout its history, geography, language, literature, sport and games, personal and social education and religions.
- This school will teach children about the growth and development of our parliamentary democracy and its key institutions including the constitutional monarchy.
- Learners will be taught about democracy and universal suffrage and the duty of citizens to participate in and contribute to life in Britain.
- We will develop the skills of participation and responsible action necessary for living together in harmony as citizens of United Kingdom.
- Children will learn about the democratic structures of our national government and we will promote civic pride by helping them learn and understand about local government.
- Across the curriculum we will teach the importance of duty, loyalty and patriotism.

### **Impact: H.E.A.R.T.**

#### **What we want our children to have achieved:**

- Through our work and partnerships pupils will gain a good understanding of the values that underpin the privileges, rights, responsibilities and duties of citizenship.
- Children will be equipped with the knowledge, skills and understanding to make a positive contribution to the harmony of our local and national and global community.
- Children will be developed and will support and positively value community cohesion.

- This policy will make a key contribution to the school's positive ethos which truly promotes that all are "***Growing at the heart of God's community***"
- The five key strands that culminate in "British Values will be aligned to the curriculum and to the provision of Collective worship.
- The head teacher and Governing Body will assess the impact of this policy and monitor its operation. This will also be viewed in conjunction with the school's other policies especially the Race and Equality Policy, Equal Opportunities Policy, Safeguarding and Behaviour Policy.
