6th November 2026 - Our "Value for life" is Trust

"Trust in the Lord with all your heart....." Proverbs 3:5

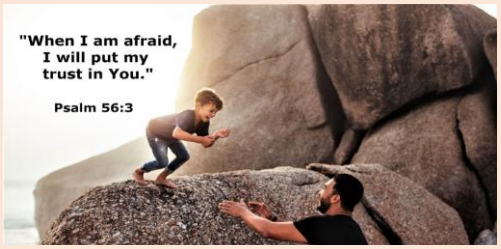

Head Teacher's Hello

Welcome back! I hope everyone enjoyed a lovely, restful half-term break and had the opportunity to spend some quality time with family and friends. We are looking forward to another exciting and productive half term together.

Firstly, congratulations to all the children who won a pumpkin as part of our attendance initiative last half term. We were delighted with the enthusiasm shown by everyone! For November, we are launching another attendance challenge. All children who achieve 100% attendance and punctuality throughout the month will receive an advent calendar as a little reward for their commitment. We are, of course, mindful that illnesses are sometimes unavoidable, and we completely support that children need to stay at home when they are unwell. We will have a little break from our attendance initiatives in December before launching another exciting challenge in January. We have seen a fantastic improvement in both attendance and punctuality and are incredibly proud to currently be the second placed school in the local authority! This is a wonderful achievement and one that we could not have reached without your support. Thank you to all our parents and carers for helping us achieve this. Let's keep up the fantastic work!

Important Date List

Please note the date list for this half term. There have been a quite few changes specifically to Christmas events. Nursery are taking part in their own 'Little Stars' Christmas sing along event rather than taking part a Christmas nativity with older children.

We have also added a new event – Coffee, Cake and Carols which is for grandparents, senior citizens of the community where all children will sing Christmas carols and Year 6 will serve refreshments. Information relating to Christmas events will be sent out next week.

Please remember **we are a nut aware school,** we have children in school with nut allergies, therefore please ensure your child's snack and packed lunch do not contain any nuts and check ingredients if you are not sure.
