Agenda

Event ideas for the coming school year.

JR suggested having a birthday non-uniform day. When one of the children have a birthday that child can come in their own clothes for a day in exchange for a £1 donation.

LB suggested a clothing bank. She saw an advert in the school magazine where a company take donated clothes away and give you money for them.

JR suggested a Spooky disco for Halloween or a Valentine's disco.

VR suggested an open air cinema for the summer months and a camp out at school night for the darker evenings.

JR suggested selling Halloween treats at school.

ER is happy to do an Art evening after school again and she also suggested doing it once a month if it is popular.

Due to popularity last year, it was decided to do the Christmas goodie bags again and hold the Christmas film nights again after school.

The 11th of December was chosen for the Christmas film night, films to be chosen by the school council. The nursery, reception, yr1&2 will watch the first film at 3pm until 4.45pm, year 3, 4, 5 &6 will watch the second film at 5pm until, 7pm.

Wish List

It was suggested by all who attended the meeting to spend more of the PTA money on treats for the children. Mr Sharma is getting the school council to ask around the school then decide what everyone would like.

The Meeting was closed at 10.45am.
