'Growing together at the Heart of God's Community'

9th April 2020 - Our "Value for life" is Humility

Be completely humble and gentle; be patient, bearing with one another in love. Ephesians 4:2

Head Teacher's Hello

Head Teacher hello:

Hello to one and all, one of my favourite songs is "What a wonderful World" it always reminds me of spring, sunshine and love. The lyrics:

The colours of the rainbow so pretty in the sky.

And also on the faces of people passing by, I see friends shaking hands saying, How do you do? They're really saying, I love you.

Now, I know we **CAN'T** shake hands at the moment BUT we can say we love each other. One of the ways we can and have been doing, is to display a rainbow in your window to show everyone together we can be positive and show our appreciation for our NHS staff and all our key workers that are helping fight the battle against Covid 19. So make sure you have your rainbow in **your** window. Next week in school we are going to be putting a big heart rainbow up, if you also want to send your pictures to glazeburyprimary@ldst.org.uk we will put them on our website for all to see.

Staff at Glazebury CE have also been having some fun this week, and as we missed you all so much we put a video together to make you smile. Thank you Mrs Goman for organising and we hope you like it. It is on our Facebook page and there is a link from Twitter.

Look after one another, enjoy your holiday time and remember to be kind to one another – treat them with love. Mrs Mowbray

STAY CONNECTED

Staying Connected – Out of sight but not out of mind – We would love to hear from you and see photographs of your learning experiences over the coming weeks. Please email them to us on our school email address which is: glazeburyprimary@ldst.org.uk and we will post them on our website for all to see. Watch out also for the posts from school.

Dear Children, we have put some FUN activities on the website for the EASTER holidays, you may want to download them.

Easter of course is for fun.

As we do not have any key worker's children attending the school on Good Friday 10^{th} April and Monday 13^{th} April the school will be closed.

Please **DO NOT worry** if you are entitled to key worker provision we are here FOR YOU. The advice is where possible STAY HOME, but we are here for you, as key workers you are protecting our country so we will provide for you. If your childcare circumstances change, feel free to contact school we will try to guide and help. Currently our staff are well and we have a rota for provision.

Dear friends and beloved children

Never before in history has the Church needed to shut its buildings. In times of stress and strife people often turn to prayer for comfort and there is a deep need inside us to believe that there is something more for us beyond these shores.

Christians know that Church has never been about the building. Clergy have not stopped working, we've just been redeployed - and we continue to 'hold the cure of souls' with which we were entrusted at our licensing services. Along with the Bishops, my primary role in this parish is to pray for you and be assured that I haven't stopped thinking about you and praying for you.

I've put services on Facebook the last 2 Sundays and will continue. Plus tonight I'll be doing an Agape meal remembering the Last Supper at 7.30pm and also doing a Facebook service at 3pm tomorrow Good Friday. We will attempt a zoom on Easter Day.

So if you want to join in find me or email me Jan.harney29@gmail.com and I'll keep you in the loop.

Have a Blessed Easter. Until we meet again \int Jan x
