

'Growing together at the Heart of God's Community'

19th July 2024 - Our "Value for life" is "Wisdom".

"For the Lord gives **wisdom**, out of his mouth comes knowledge and understanding" Proverbs 2:6

Head Teacher's Hello

Dear all,

I have lots to recall this week in the final newsletter of the year, firstly what a wonderful Summer Fair we had last week, and a huge shout out for all the lovely PTA who helped pull this together for us, there was laughter, fun with games, lots to buy and the burgers were sublime THANK YOU.

We had our wonderful reward trips to RHS this week and seeing the older children partner with our younger children was a pleasure to see. We had so many positive comments about our children – I am sure like me you are so proud of them. YOU earned this children, with your lovely behaviour, so THANK YOU.

We also have our Glazebury's Got Talent next Monday afternoon to look forward to and our Leavers Event on Wednesday afternoon before we break up for the year.

Finally to our Year 6, its soon time that you will leave your Glazebury family, spread your wings and embrace the next stage of your learning journey in high school, Thank you for all you have contributed to our school life and we all wish you the very best for your future learning...and remember once part of our Glazebury family ALWAYS part of our Glazebury family. Mrs Mowbray.

"God will direct your steps" Proverbs 3:6

We are a church school...

Love never fails 1 Corinthians 13:8

We have been celebrating Black History and celebrating the work of Doreen Lawrence.

This is Baroness Doreen Lawrence OBE
When her son Stephen's life ended, she began to fight for justice. But it was 1993 and it turned out that attaining justice for the murder of an innocent Black man was difficult. It required time, persistence and insistence to be acknowledged.
Twenty-seven years on and not all young people have heard the name Stephen Lawrence or know his story. But 2022 has shown us that Stephen's story – unequal treatment because of skin colour, and exposure of embedded prejudice in systems, structures and institutions – is as relevant today across the whole world as it has ever been.
She has worked for 26 years hoping for "an inclusive society for everyone to live their best life, regardless of gender, race, sexuality, religion, disability or background
We are proud of you
Can you see how **Love never fails** or how the Lord gives **Wisdom**?

Learn, Love and Achieve with Jesus ... LDST Trust curriculum vision

Knowledge empowers and **Learn, Love and Achieve, Together with Jesus** is the stimulus for our knowledge rich curriculum. We support our schools in designing and implementing a curriculum that will enable our children to develop and build on a deep body of knowledge and grow in understanding. This will ensure children know more and remember more through careful sequencing of knowledge, well-taught content and thoughtfully designed assessment practice.

'Peep into Glazebury's History from Log Books - We are in possession of our school log books that date back to July 8th 1873, before we were even in our school building in 1882. We thought we would share some of the accounts with you each week.

Oct 14th 1887- Eliza Warhurst had been away two weeks suffering from a sore leg.

Oct 18th 1887-The school was closed today while the fire grates were repaired.

Nov 26th 1887- The attendance is still very poor. This is partly through sickness and partly through the indifference of parents having their children educated.

August 1st 1887- A thunderstorm came on in the afternoon.

Jan 31st-1890- in consequence of so many children being away from school suffering from influenza a holiday was given in the afternoon.

Farewell and Good Luck

We would like to wish the following staff a fond farewell as they go onto further their careers:

Mrs Wall – Deputy Head Teacher – Appointed by the Maths Mastery Hub

Miss Green – Teacher – going off to a new teaching post in Dubai.

Ms Davies – Qualified as a Level 3 TA during her time at Glazebury, moving on to work in a pre-school.

Mrs Ainsworth – Kitchen Supervisor, moving on to a new kitchen role in a care home.

Thank you for the contribution that they have all had during their time at Glazebury, and we wish them all the very best for their futures.

A massive thank you to all that donated, helped, and came to the Summer Fair on Friday. Special thanks to Farmer Bertie who provided all the burgers and sausages for the BBQ and we even had cakes baked by one of our children's next door neighbours. Thank you. The weather didn't dampen the event and not only did the children have great fun we also managed to raise £572 which is fantastic. Thank you to everyone.

This has enabled the PTA to pay for the new iPads in school. The PTA will let you know in September what they plan to fundraise for during the next academic year after meeting with Mrs Mowbray. We usually have lovely weather in September, watch out for details of an exciting PTA 'welcome back to school event'.

 Fishing - Partridge Lakes
 

Chris Yates from The Angling Trust came to work with class 3 this half term. They learnt about the skill of angling, how to use the equipment and about different types of fish in our locality. Children from class 3 spent a morning at Partridge Lakes, putting their new knowledge and skills into practice. The children had a wonderful experience and were delighted with the amount and size of the fish they caught!

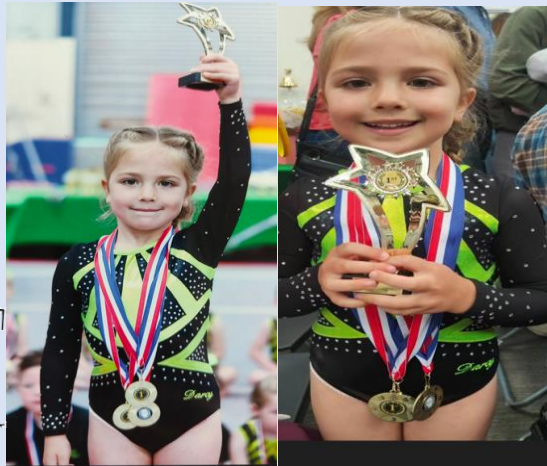

Celebrating YOU!

Rosie has had an amazing week this week - not only did she move up to stage 5 in swimming, but she's had a gymnastics competition this weekend and did really well!

Rosie placed 1st in vault and then placed 1st as overall champion! There were 16 children in Rosie's age group category. This was Rosie's first proper competition, so she was very, very happy! Well done Rosie - you really are a star.
