

'Growing together at the Heart of God's Community'

29th November 2019 - Our "Value for life" is Peace

Blessed are the peacemakers, for they will be called Children of God. Matthew 5:9

Head Teacher's Hello:

Have you an inventor or designer in your home? Well I can tell you I have a school full of them! On Tuesday we had our first ever whole school DT (design technology) day. The children all had age specific projects to complete, class 4 for example completed a variety of paper plane designs and tested changing variables to ascertain which would fly the furthest. Class 2 were making dinosaurs that moved with a pivot system whilst, class 3 astounded everyone with their professional sewing, creating bags they had designed themselves. Not mentioning the variety of creating and making from your class 1. In the afternoon we all gathered together to discuss the processes involved and celebrate the achievement of all. What an inspiring day...check out our website. I am also thanking you all in advance for supporting our Christmas Fair, you are so amazing and supportive of school. Thank you. Remember any questions or concerns, we are here to listen. Mrs. Mowbray.
