Dear Parents/Carers

### **Attendance letters**

Coronavirus has given many challenges for all to face and National Lockdown from the 5.1.2021 has proved to be equally demanding especially regarding school attendance.

The Department of Education have asked schools to allocate a new code "X" for any child who is seeking a test for Covid 19, or self-isolating. This is so that attendance is not disadvantaged for following the guidelines. It has further asked schools to allocate "X" to those that are remaining at home and remote learning.

In line with expectation we have suspended our attendance letters until all are back together in school. We would like to thank all parents and children, those in school and those learning remotely at home for registering to support our legal safeguarding protocols.

Sincere thanks to all for your continuing support, keep safe.

Kind Regards

**Mrs Mowbray**
