## 'Growing together at the Heart of God's Community'

26<sup>th</sup> May 2023 - Our "Value for life" is "Creation".

"Let there be light" and there was light. Genesis 1:3

### Head Teacher's Hello

Dear all,

I have been given some sad news today, about two more of our trees on the field – they are stressed and will have to be cut down this will be happening before the children come back to school – we will also have a fence put up for security. We are going to use some of the wood for seating, and a bug house so there will always be a piece of them with us. We also intend to raise some money with the children to buy 4 trees to replace them.

I must say this week has gone in the blink of an eye! As I visited the classrooms, I have seen a hive of activity – Art Day on Tuesday meant all the children had become artists, creating an art project from beginning to end! This week I have also been working with the year 2 children on a number of writing projects - they would make William Shakespeare proud... which brings me to class 4, who have been using gruesome vocabulary and vivid imaginations to recreate the famous scene from Macbeth... Double, double, toil and trouble.... Children have also been completing assessments and end of unit exit tasks to show off their knowledge – they all deserve a well earned break (and staff too) - Please have a safe and happy holiday and I look forward to seeing you all back in school soon. Mrs Mowbray

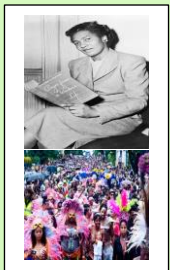

FOR THERE IS HOPE FOR A  
TREE: IF IT IS CUT DOWN,  
IT WILL SPROUT AGAIN,  
AND ITS TENDER SHOOTS  
WILL NOT FAIL.

- JOB 14:7

### We are a church school...

This week we have been exploring the British values and part of this is celebrating Black history – this half term we have been recognising Claudia Jones who founded the Notting Hill Carnival in 1959 to uplift Black British communities following riots which broke out in the area the previous year. She fought against racial inequality and passed away in 1964 at the age of 49, she was a business woman, author, and speaker – We just want to say "We are proud of you"

Education update: where we inform on educational research and thinking.

**What is an Exit task?** At the end of a unit of work, children are asked to answer the central question they have been answering in their learning e.g. What did the Romans ever do for us? They do this by writing an "Essay" Year 1 and 2 would complete 2-5 sentences, year 3 and 4 would complete 1-2 paragraph and year 5 and 6 would complete 3-5 paragraphs all to show their learning...impressive.

CAREER  
Fair

Glazebury C of E are proud to host our first "Career Aspiration Day" which will be held in our school hall. Our **HEART** curriculum includes a focus on aspirations. This event will allow children at Glazebury to discover the knowledge and skills they would require for future learning and employment pathways. We would love for our children to experience as many varied careers as possible.

**Do you or your company think you may be able to support this event and have the time to attend on Tuesday 27<sup>th</sup> June in the afternoon?**

**What does it entail?**

If you can attend and possibly bring any information or artifacts that represent your role, or any suitable equipment to bring your career to life. If you can talk to the children and be prepared for them, in year groups, to listen to your expert knowledge and ask questions.

If you think you will be able to help and provide this vital service to expand our children's aspirations Please contact our school office for further details ([glazeburyprimary@ldst.org.uk](mailto:glazeburyprimary@ldst.org.uk))
