

'Growing together at the Heart of God's Community'

17th November 2023 - Our "Value for life" is "Peace".

The value of Peace "A heart at peace gives life to the body" Proverbs 14:30

Head Teacher's Hello

Dear all,

In this week, we have been reflecting on how we can be Peace Givers, and in these difficult times when conflict is ever present in the media on many fronts, it is important to wish for peace.

Our Antibullying week has seen children recognising we are all the same but different and need to treat each other with respect and kindness. Our odd sock day made us giggle and share laughter that made us think of who we are, what we want to be...I wore my odd socks and then couldn't show them off because I had put boots on Pah!

Every child today has supported Children in Need and we have completed activities that enable us to reflect on the wonderful work that this charity does. It isn't always the amount of money we raise but the fact we have raised something, whether a £1 or more it will all contribute to make a difference and that is an important message for our children to learn.

We are looking forward to another week of learning and sharing this with you next week.
