15th December 2023 - Our "Value for life" is "Peace".

The value of Peace "A heart at peace gives life to the body" Proverbs 14:30

Head Teacher's Hello

Dear All,

It is hard to believe that Christmas is nearly here, the nativity performances were lovely to see, with little ones shining, all sharing the true message of Christmas. The singing was beautiful, and I am sure that all who saw would agree that it was a lovely sight to see. May I thank Miss Binsom and Mrs Tate along with all staff for making this a wonderful opportunity to share with all parents/carers.

Whilst we still have lots of exciting Christmas events to come, it is good to remember the true meaning of Christmas and to give love and kindness as greatest gift to each other.

Wishing you all a wonderful Christmas and prosperous New Year. Mrs Mowbray

We have been celebrating black History : Sislin Fay Allen was an inspiration for many when she became the Metropolitan Police's first black female police officer, based at Croydon in the late 1960s. We are proud of you.

Supporting Mental Health and Wellbeing – the distress caused by grief, loss and trauma is felt by us all at certain times. We understand that for those affected, the support provided by friends, family and trusted colleagues will likely be enough to help through the most difficult of times. However, we also appreciate that for some, this will not always be the case, and they will need additional professional help to support their recovery. Warrington Borough Council have reviewed and updated their local offer of support information to support mental health, and this is available through Warrington Borough Council's 'Happy Ok Sad' mental health and wellbeing website. <https://www.warrington.gov.uk/happy-ok-sad>
