

'Growing together at the Heart of God's Community'

13th September 2024 - Our "Value for life" is "Compassion".

"The Lord is gracious and compassionate slow to anger and rich in Love" Psalm 145:8

Head Teacher's Hello

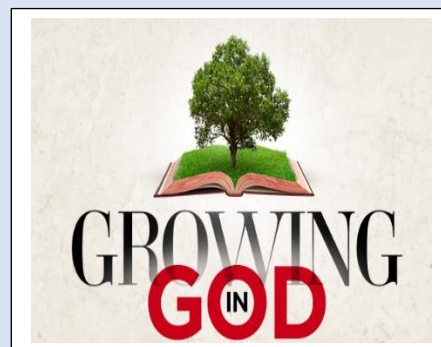

Dear all,

We have had a lovely week together this week and are beginning to settle into the rhythm of the school routines. If the children have said that I am offering a big box of chocolates, you need to know it is true. On Friday last week, I lost my wedding ring and asked the children to let me know if they find it in school and that there will be a reward ...having had a ring for nearly 39 years as you can imagine I appreciate the help that the children are giving in keeping an eye out for it. You never know it may turn up!

Thank you to all the parents and carers that came to meet the teacher, it was lovely to see so many. For those that couldn't attend we will make sure that you have the information shared and remember that any questions you may have will always be answered by teachers via class dojo too.

I popped into our cooking club this week and children were excited to create a recipe booklet with the recipes that they will be making over the coming weeks, I heard fruit salad and fruit skewers, lemonade, cookies, pizza, salads and filled pittas! I wonder what they will choose...there are a few places left if anyone wants to join on a Thursday...I've been promised a sample! Hope to see you at the welcome back BBQ, and I'll report back to you on how it went next week. Mrs Mowbray.

We are a church school...

This week we have been talking about God's compassion and how he is always there for us and will help carry our load...God's compassion.

This week we are looking at God's compassion for his people ...

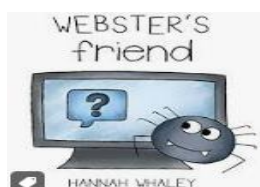

What do these have to do with God's compassion and always being near?

Learn, Love and Achieve with Jesus ... LDST Trust - Staff CPD

'Opportunities for staff in trust schools to collaborate are well thought out, purposeful and extensive. Trust staff value opportunities to support the development of staff in other trust schools. The impact on the quality of education for pupils is tangible in the primary age-phase and developing in the secondary age-phase. The wealth of network meetings available, for example for subject leaders, SEND leaders and early years leaders, is having a positive impact on building staff's expertise. Staff new to the trust, including early career teachers, are inducted well.'

Is my child too ill for school?

It can be tricky deciding whether to keep your child off school or nursery when they are unwell.

There are government guidelines for schools and nurseries, these say when children should be kept off school and when they shouldn't.

<https://www.nhs.uk/live-well/is-my-child-too-ill-for-school>

If you do keep your child at home, it's important to phone school or nursery on the first day.
