

10th November 2023

Dear Parent/Carer Year 2, 3, 4, 5, 6 Pupils.

Ref: School Choir

Madame Buckley leads our school choir and meets with the children every Friday lunchtime at 12.30pm in Class 4. **Children from year 2 to year 6 are welcome to join and be part of our sensational singing choir.**

Children have their lunch in the hall before going into choir, this means that on the Friday they may have an "early dinner ."

Children learn traditional choir songs along with popular music and French songs and this term they are concentrating on practising the many festive Christmas songs of the season.

Choir children will also be attending events during December, which we will obviously notify you of and give you full details nearer the time We will ensure we obtain your consent for children to attend in advance. Our choir already have a booking to sing at **Bents on 8th December 23**, and it is a Glazebury tradition that they open our Christmas fair (1.12.23) to put us in all the festive mood.

We are asking all children that if they join the choir to please consistently attend, so that we can ensure that when making arrangements we have appropriate numbers and importantly, that they learn all the songs with their peers.

We can't wait to hear the lovely singing, shared with school and our community.

Yours sincerely

Mrs K Mowbray
Head Teacher
