25th September 2026 - Our "Value for life" is Compassion

"The Lord is gracious and **compassionate** slow to anger and rich in **LOVE**"
Psalm 145:8

Head Teacher's Hello

It has been another wonderful and busy week at school, and I would like to take a moment to celebrate some of the things that make our school community so special. We are incredibly proud of our new sensory area, which is now ready for our children to enjoy. It provides a calm, welcoming and nurturing space where pupils can take time to regulate, explore and feel comfortable. We are delighted with the finished area and look forward to seeing the many positive ways in which it will support our children's wellbeing and learning. A huge thank you to Mrs Smith who helped make this exciting addition to our school possible.

This morning, we were also delighted to welcome families and members of our school community to our MacMillan Coffee Morning. It was lovely to see so many people coming together, enjoying refreshments, chatting and supporting such an important cause. A huge thank you to everyone who attended, donated, baked and helped make the morning such a success. Your generosity and support are very much appreciated. Thank you, as always, for your continued support and for helping make our school such a warm and caring community.

MacMillan Coffee Event

Thank you to all who donated cakes and came along to enjoy the cakes and raise money for this worthy cause. We raised £234.15 which is fantastic. We had a lovely morning, and we have some amazing bakers amongst us, well done everyone and thank you once again for supporting this wonderful cause.

Sensory Area

We are excited to share with you our new to school sensory area. This is a dedicated safe space that has been designed to help children understand, manage and reset their emotions and energy levels. This specifically focuses on emotion self-regulation and can support the nervous system. We would like to thank Mrs Smith for all her time and effort in setting up such a wonderful area for our children.

"The School Age Immunisation Service (SAIS) will soon be visiting our school to offer the seasonal flu vaccination to eligible pupils. The flu vaccine helps protect children from becoming unwell with flu and can also reduce the spread of infection to family members, friends, and the wider community. If you have not yet completed the form, or if you require any support or have questions about the vaccination programme, please contact the School Age Immunisation Service. Telephone: 03333583 397 option 7 option 1. Email Imms.W-CE@intrahealth.co.uk"

Thank you for your support in helping us protect children and school communities during the flu season.

Changeable Weather

Please can we remind everyone that children should come to school dressed in suitable clothing during this changeable weather. Can we make sure all children have a coat (make sure coats are labelled with your child's name).
