September 2026

Dear Parents and Carers

On behalf of the School Governors, I'd like to welcome you to another inspirational and enriching year at Glazebury CE Primary School. We hope that you and your family had a restful summer break and are ready for the upcoming experiences and adventures. We Governors would like to welcome back returning children and their families and give a HEARTfelt welcome to the children and families who are attending our school community for the first time.

This year brings new opportunities for us all to learn and grow within the positive, supportive and safe Christian environment that the school provides. We were pleased to meet with Mr Sharma, our new Head Teacher, along with Mrs Goman, our new Deputy Head, and the rest of the staff of the school at the start of term. It is clear that they are all ready and excited to deliver interesting and enlightening learning experiences across the school and to help every child achieve their full potential.

Your involvement in your child's education is invaluable. Please take a keen interest in their learning, encourage them, and engage with the school by communicating with teachers and staff and supporting school events and activities. As part of this, please do all you can to ensure that your children attend school as much as possible – there is a direct correlation between school attendance and educational progression. (Information about the school's Attendance Policy can be found on the school's website.)

As Governors, we are also very much looking forward to the year ahead. In our role of providing support and ensuring accountability from Mr Sharma and his team, and in working alongside the Liverpool Diocesan Schools Trust (LDST), we are continually uplifted by the efforts of both the school and the Trust and the hugely positive impact they have on the children.

Thank you for your continued support and commitment to Glazebury C of E Primary School – as OFSTED reported: *"a small school with a big HEART"*. We look forward to seeing you at upcoming school events and working with you to ensure that our children have a fulfilling and successful school year.

Kind regards

Dave Beechey
Chair of Governors
