6th February 2026 - Our "Value for life" is Friendship
sweet **friendship** refreshes the soul. PROVERBS 27:

Head Teacher's Hello

Dear all,

It has been another busy week as we approach a well deserved half term break. Class 4 have been working diligently preparing for their History Exhibition about slavery on Wednesday morning. It will be interesting to see a different type of exhibition, rather than our usual colourful celebration of learning. They have understood the sombre nature of slavery and have shown maturity and empathy in class discussions and independent work.

I am very proud of the school council for organising today's collection for the foodbank. It has been wonderful seeing the generosity of our parents and carers in providing valuable donations for our wider community at this difficult time of year. In John 15:12-13, Jesus says, "This is my commandment, that you love one another as I have loved you. Greater love has no one than this, that someone lay down his life for his friends." Jesus has given us an example to follow. He wants us to love one another as he has loved us. As Jesus gave up his life for us, he wants us to do the same for one another. True love is not a cheap, shallow sentiment; it is costly. Mr Sharma.

We are a church school... our Christian value this half term is Friendship.

'Peep into Glazebury History from Logbooks - We are in possession of our school logbooks that date back to July 8th 1873, before we were even in our school building in 1882. We thought we would share some of the accounts with you each week.

1912-May 13th - On this date I warned the caretaker of the school about the dangers of always having the large iron gates swinging open and requested he fastened them securely.

1912- May 20th - The Iron gates have not received attention yet.

1912-October 9th - had occasion to report several boys for being absent working in the potato fields.

National Number Day

We will once again be taking part in the NSPCC's National Number Day this year on **Friday 6th February**. The theme this year is money! It's never too early to make the link between numbers and money with children. Research shows that financial habits begin to form as early as ages 4-7. Teaching and talking about money at home and at school encourages open communication. It helps children feel comfortable discussing financial choices and seeking advice, fostering a supportive environment where they can learn and grow.

Safer Internet Day

We are looking forward to welcoming our local police into school on Tuesday 10th February to speak to children in their relevant cohorts about the importance of online safety.

Class 4 History Exhibition Wednesday 11th February

Class 4 children are very excited about their exhibition on Wednesday! We have been learning all about the Slavery. The Exhibition starts at 9:15am and finishes at 10.45am.

School Meals – Important Notice

Unfortunately, we have just been notified that Warrington Borough Council are increasing the price of school meals from 23rd February 2026 (after half term). Price increasing by 15pence per day. Please be advised that the cost of a school meal is **set to increase from £3.05 to £3.20 per meal from 23rd February, 2026. This will result in an overall weekly increase of £0.75 per child.**

This does not affect children accessing Free School Meals. The government continues to support the universal infant Free School Meals (FSM) project, and this means that all children from reception, year 1 and year 2 will be provided with a school meal free of charge. Any child in years 3-6 can also have a free school meal if you are in receipt of certain allowances. To find out if you are eligible, please visit: <https://www.warrington.gov.uk/freeschoolmeals>*

The council has been subsidising the service over the last few years to try and keep the cost of a meal down. However, increases in food and staffing costs mean that we unfortunately have no option but to increase the price of a school meal.

The three weekly rolling menu detailing each day's main course and dessert, with the additional daily offer of a vegetarian option and jacket potato will remain in place. The school meals service will continue to provide a high-quality service that delivers healthy, nutritious meals, caters for all allergens and dietary requirements, and is served in a safe environment on our school premises. We will continue to offer theme days, treat lunches and inviting families to join children for special lunches through the year.

*If your child is eligible for means tested free school meals you could also be eligible for other funded support, such as Household Support Fund (funding for food and utility bills) and Holiday Activities and Food (summer holiday free activities and food). There are also other financial support schemes available, which you can find on the council website: [warrington.gov.uk/localsupportscheme](https://www.warrington.gov.uk/localsupportscheme)

Please remember we are a nut free school, we have children in school with nut allergies, therefore please ensure your child's snack and packed lunch do not contain any nuts and check ingredients if you are not sure. **Please DO NOT SEND ANY CHOCOLATE SPREAD products on sandwiches as some do contain nuts.**
