Dear Parents and Carers

### Adaptations to Key Stage One Class Structure

Having assured that we are at the statutory number of 30 children for Key Stage 1, and after careful consideration and planning, we are delighted to confirm that we will be moving swiftly **into a mixed-age Year 1/2 class—Class 2.**

This decision ensures that we now fully comply with our existing class structure model, which is designed to support both the statutory requirements and the best interests of our children.

The change on the children's day-to-day experience will be minimal, as we had already created a robust system to ensure Year 1 had an optimal teaching experience.

Please note the following changes :

- **Mathematics** will now be taught by Mrs Tate, who will continue to bring a wealth of experience and enthusiasm to the subject.
- **Phonics** will continue to be delivered by **Mrs Carroll**, ensuring consistency and continuity in this vital area of learning for year 1.
- **Miss Hardman** will now be supporting Class 2 on a daily basis, along side **Mrs Eckhart** providing additional guidance and care to all our class 2 children.

We are confident that this structure will continue to support the children's development and maintain the high standards of teaching and learning across the school.

With sincere thanks for your understanding and for always helping us to ensure that the children remain at the centre of everything we do.

Kind Regards

Mrs K Mowbray  
Head Teacher
