22nd February 2021

Dear Parents/Carers,

RE: Prime Ministers' announcement 22.2.21

**We are delighted to welcome all our children back into school on the Monday 8<sup>th</sup> March 2021, as per the announcement made by the Prime Minister this evening. This is indeed the best news that we could have been given.**

Further details on our schools wider re-opening will be provided over the coming week, we are awaiting further detailed guidance to inform our re-opening plan and risk assessments to ensure they comply with governments intent and updated health and safety advise. We will endeavour to provide this information to parents as quickly as possible and thank parents for their patience in advance. With all the information at your disposal we are hoping that it will address any questions or concerns you may have.

Please can all those working from home remotely continue to register and complete work sent to ensure parity of learning and an easier transition back into school. May I also personally thank parents and children working from home for their commitment and perseverance to remote leaning, this has not been an easy task and thankfully the end is in sight.

Our first priority will as always, be the well being and emotional health of all our children in school, please be assured that we will inform you of our extra provision and approach over the coming weeks.

We look forward to seeing our whole school community back together on Monday, 8<sup>th</sup> March, 2021.

Kind Regards

Mrs K Mowbray

**Head Teacher**
