

'Growing together at the Heart of God's Community'

10th November 2023 - Our "Value for life" is "Peace".

The value of Peace "A heart at peace gives life to the body" Proverbs 14:30

Head Teacher's Hello

Dear all,

 We have reflected and commemorated those that have given their lives in service, in our Remembrance service today with our older children walking to the cenotaph and our younger children observing the 2 minutes silence around our garden cross. It was moving to see the thoughtfulness of our children that ensures that "we will remember them." 

As you read this, we will have sent out the completed Ofsted report, we are delighted to say that we are a GOOD school with OUTSTANDING personal development. This is not achieved by chance but by all our Glazebury family working together to be the best that we can be for our children, and that is so true of our all our parents/carers, so thank you to all. May I take this opportunity to give my heartfelt thanks to all the staff for always going above and beyond for the children in their care - We truly are : "a small school with a big heart" Mrs Mowbray

"Let all you do be done in love" 1 Corinthians 16:14

We are a church school...

We have been thinking about peace and remembering.

Christmas Card Competition – all our children in class 3 have enjoyed creating their own designs for wonderful Christmas cards and they have been sent off to be entered into the MP Charlotte Nichol, Parliament for Warrington North Christmas card competition. The winning card selected will be printed and the MP Office will use this for their Christmas card this year.

Next week is Anti-Bullying Week and we are starting the week with inviting children to come to school in odd socks which are all about fun and laughter but more importantly they deliver a message of individuality, acceptance and tolerance. Which is what being an Odd Sock is all about... because everyone is different and that's good! Odd Socks Day is an opportunity to have fun, be yourself and spread awareness of the core values Anti-Bullying Week promotes so please on **Monday 13th November, come into school rocking your odd socks.**

Don't forget...

Operation Encompass is a national scheme that operates jointly between schools and all police forces.

OPERATION ENCOMPASS

“ Children who live in homes where there is domestic abuse, or who experience domestic abuse in their own teenage relationships, can be negatively impacted by this experience. ”

“ Children who experience domestic abuse are recognised as victims of domestic abuse in their own right¹. ”

“ We have ensured that a member of our staff, (Designated Safeguarding Lead) known as a Key Adult, has been trained about Operation Encompass procedures. This allows us to use the information that has been confidentially shared with us by the police, to understand how a child may be impacted by domestic abuse and to then offer support to the child/ren in our care. ”

“ Operation Encompass means that our school will be told, prior to the start of the next school day, when police have attended an incident of domestic abuse where there is a child or young person who attends our school who is related to any of those involved in the incident ”

“ This information means that we can understand a child's behaviour and support that child in whatever way they may need or want. ”

“ We are keen to offer the very best support possible to all our pupils and we believe that being part of Operation Encompass helps us to do this. ”
