

♥ ‘Growing together at the Heart of God’s Community’ ♥

26th June 2026 - Our “Value for life” is Wisdom

“For the Lord gives **wisdom**, out of his mouth comes knowledge and understanding” Proverbs 2:6

Head Teacher’s Hello

Oh my goodness - it has been one of the hottest weeks I have ever had to teach in! The children have enjoyed being on the field all week, and I have been really impressed with how mature they have been, finding shade and resting when appropriate. They have all remembered to take their water bottles out each day, and make any adjustments to their normal playtime routines! I am a firm believer in keeping schools open, and while we had to call off today’s football club, other than offering pupils the opportunity to wear PE kits at the end of the week, we have managed to carry on as normal during the heatwave. I believe that these events will become more regular, so we must follow the motto of ‘Keep calm and carry on!’.

We are a church school...
Our school value this half term is wisdom

If you need wisdom, ask our generous God, and he will give it to you.

'Peep into Glazebury History from Logbooks - We are in possession of our school logbooks that date back to July 8th, 1873, before we were even in our school building in 1882. We thought we would share some of the accounts with you each week.

24.10.1921 – Notified HMI's of closing of school from October 31st to November 7th.

27.10.2021 – Mr A Barnes S.A.O (Rural) visited the school.

Changeable Weather

As our weather is ever changeable and forecasts are not always accurate, please can you ensure your child is prepared for all weather as we encourage children to play outside when possible.

Please ensure your child always has their PE kit in school, a coat and a sunhat.

If the weather is hot and sunny in a morning, please apply sun cream before arriving at school. For nursery children or children staying for after school clubs, you can send sunscreen into school but only if accompanied by a completed school medical form. Please do not just put cream into your child's bag without completing a medical form.

Beat The Goalie Event

To celebrate the World Cup and raise money for the PTA school funds which is used for the benefit of all our children in school.

Next Friday (3rd July) during the school day (weather permitting) we are having a 'Beat the Goalie' event to raise money for the school.

During the day Mr Augustin and our Friday Football Club attendees will take turn being the Goal keeper and all children including our youngest nursery children will take part in trying to score a goal. Children are encouraged to make a minimum donation of £1 to take part, they will have three attempts and every child will receive a small prize for participation.

This can either be donated via ParentPay or children can bring cash in on the day.

This will be a fun event for children and in turn raise valuable funds for our school

Year 6 Transition to High School

YEAR 6

We wish our Year 6 children all the very best next week as they visit Culcheth High School for transition days Wednesday 1st and Thursday 2nd July. We are sure they will all enjoy the next stage of their education journey. We look forward to hearing all about their experiences.

If parents/carers have any queries about these days, please speak to school.

Raffle

Win a Family Ticket to the Northwest Truck Show at Haydock Racecourse – Raffle tickets are £1 per strip live on ParentPay or cash from Mrs Booth or the PTA. To be drawn **next Friday, 3rd July in Collective Worship.**

Quiz Night – Friday 26th June

We have decided to postpone the Quiz night scheduled for today after school due to the hot weather.

It was a difficult decision but everyone decided it would be better to hold in the Autumn term. Our Quiz questions and answers will be locked away safely until then.

Watch out for the date being published in Autumn Term (October).

We will refund via Parentpay those families who have already purchased tickets.

Aspirations Afternoon

After the great success of our Career Aspirations event last year, and a huge thanks to those that took part last year. We are pleased to say we are continuing this tradition. Our **HEART** curriculum includes a focus on ensuring our children have exposure to opportunities that may inspire them for the future. This event will allow children at Glazebury to discover the knowledge and skills they require for future learning and employment pathways. We would love for our children to experience as many varied careers as possible.

Do you or your company think you may be able to support this event and have the time to attend on Tuesday 7th July in the afternoon. (If you helped last year and are willing to do this again that would be fabulous)

What does it entail? - If you can attend and possibly bring any information or artifacts that represent your role, or any suitable equipment to bring your career to life. If you can talk to the children for about 5 minutes and be prepared for them, in year groups, to listen to your expert knowledge and ask questions. If you think you will be able to help and provide this vital service to expand our children's aspirations.
