13th November 2026 - Our "Value for life" is Trust

"Trust in the Lord with all your heart....." Proverbs 3:5

Head Teacher's Hello

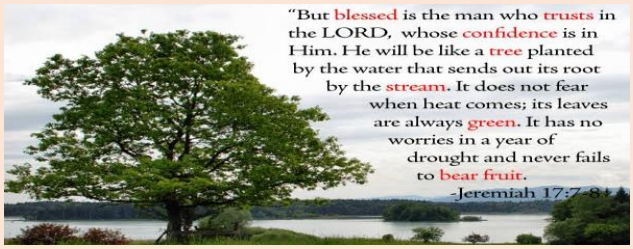

It has been another busy and rewarding week in school, with plenty of opportunities for our children to learn, reflect and make a difference. On Monday, we enjoyed RE Day, during which all children explored the significance of symbolism within Christianity, Judaism, Hinduism and Sikhism. The range of engaging, thought-provoking and enriching activities encouraged children to deepen their understanding, ask thoughtful questions and consider the importance of symbols within different faiths and beliefs. It was wonderful to see such curiosity and enthusiasm throughout the school.

On Wednesday, we visited church for our Remembrance Service. I was incredibly proud of the pupils, whose behaviour was exemplary. They showed great respect, maturity and thoughtfulness throughout the service. Today, school has been awash with bright colours as we have raised money for our Trust's link school in Uganda. Thank you to everyone who has supported this wonderful cause and helped us make a difference to the lives of others.

Finally, I would like to thank our link governors, who visited this week to join learning walks in English and RE. We greatly value their interest, support and commitment to our school.

We are a church school...

Our value is ... Trust

Everyday counts – let's make November amazing!

All Saints Church Toy Service

All Saints Church are having their annual Toy Service on Sunday 22nd November at 11am.
The church invites you to bring along new unwrapped toys which will be donated to The Youth Zone Warrington and will be distributed to local families who may be in need.

Please drop any donations off at the church if you are unable to attend the service but would still like to donate. Thank you.

Remembrance Service

Children from Year 1 to Year 6 attended a Remembrance Service at All Saints Church on Wednesday and two of our children from Year 5, Guinevere and Harriet, were invited to Warrington Wolves as they marked 150 years.
The children were invited to lay plaques which represented a Warrington player who served and sacrificed so much during times of conflict.

Lunchtime Clubs

We really value feedback from our parents/carers and children and are always keen to listen, reflect and make improvements to school life.

Following recent feedback, we are delighted to announce that our Year 5 and Year 6 children will be taking the lead in organising and running a variety of lunchtime clubs for their fellow pupils to enjoy.

The clubs will take place on **Monday, Wednesday and Thursday lunchtimes** and will be class specific (dependant on the allocated day), as our Friday lunchtime is already dedicated to choir. The children will introduce a range of activities to cater for different interests and preferences.

To get things started, the clubs will include:

- Chess
- Creative Construction
- Doodle and Draw

Participation is entirely optional, and all children are welcome to take part if they wish. Children will be able to sign up the day before and, on their chosen day, will have the opportunity to eat during the earlier lunch sitting before attending their club in Class 4 at **12.35pm**.

A huge thank you to **Mrs Goman** for overseeing this initiative and, of course, to our enthusiastic Year 5 and Year 6 children for their fantastic ideas and willingness to help create more exciting opportunities for everyone to enjoy at lunchtime.

We hope the clubs will prove to be a great success!

Rocksteady Music

"We have partnered with **Rocksteady Music School** to deliver fun and inclusive rock and pop band lessons, right here at Glazebury CE Primary School. They are visiting school to introduce their services on Monday 30th November to host an assembly and workshops for all the children.
It's the perfect way for your child to learn new musical skills and have fun, all whilst boosting confidence, wellbeing, social skills and even academic achievement.
Weekly lessons take place within the school day on a Monday afternoon starting from January 2027 and are led by an experienced, professional musician who inspires a love for music in children.
No experience is necessary and all instruments for lessons are provided.
Your child can learn to play electric guitar, bass guitar, keyboard, drums or vocals. Whichever instrument they choose to play, the wellbeing benefits of learning with Rocksteady - improved confidence, communication and teamwork - are the same, and most importantly, they are all great fun!
Children learn up to 300 musicianship, instrument and performance skills whilst playing the songs they love - all of which feed into an exam-free, Ofqual-regulated music qualification, accredited by Trinity College London.
As a parent, you will receive regular updates about your child's progress, and get the chance to see your child's band in action with end of term concerts that bring the whole school community together!"
Further details and charges for this service will come home with your children after the workshops have taken place.

Return all baubles back into school on the morning of Tuesday 1st December ready to decorate the Christmas Tree.

Glazebury Christmas Bauble Competition

Each child has been sent home with a clear bauble, tag and string so they can decorate by painting, glueing, glittering and filling – whatever you want to do.

Each bauble will be the same but different.

Decorate your bauble at home, add the label using the string provided with your child's, first name and class.

Bring the bauble back to school on the morning of Tuesday 1st December 2026, the whole school will decorate the Christmas tree together in collective worship and every child will hang their bauble on the tree in the hall so all can enjoy.

Your child will then bring their bauble back home on the last day of term to hang on your own Christmas tree.

A winner will be chosen for the most amazing creation and the winner will receive a Christmas prize.
