

## **'Growing together at the Heart of God's Community'**

2<sup>nd</sup> September 2021 - Our "Value for life" is **Truthfulness**

The truth will set you free. John 8:32

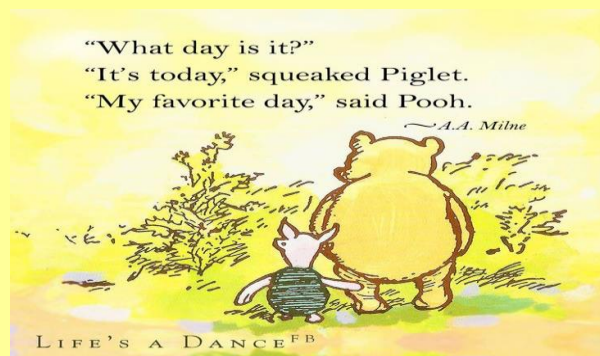

### **Head Teacher's Hello**

Welcome back to all, it was lovely to see all parents, carers and children start their new academic year with excitement and chatter. Many parents stopped me to say they are so glad the children are back and are ready for the routine of school. Lots of the children have said they have missed their friends and can't wait to share their news.

The staff and myself are looking forward to a productive partnership with children and parents/carers alike to ensure all children learn, meet their potential and have fun!

We have been setting up our Ethos Group, School Council, and class responsibilities during the first two days and creating class charters to follow our school rules. Having walked around school, children seem to be settling in well and we will be arranging our 'Meet the Teacher' sessions to communicate class expectations and give parents/carers the opportunities to ask staff questions to further help the transition into the new class.

So, turning to the uplifting words that really sum up the start to our new school year...

Here's to a wonderful year together. Mrs Mowbray.
