29th June 2018 - Our "Value for life" is Wisdom

Wisdom is knowing the right thing to do and doing it!

Head Teacher's Hello:

Despite the heat, Sports Day was enjoyed by all. The children all had the opportunity to take part and the sporting activities suited their many and varied skills...there were some amazing wellie throws! As always, we are evaluating what went well and what we can now do to make it even better, perhaps a parent egg and spoon next year? Thank you to all the parents that we able to come and I hope you too enjoyed it. Next week children will have a chance to get to know their teacher for next year. I will be sending a letter out next Monday to everyone confirming who their new teacher will be. This count down to the end of the year is a busy and exciting time but it's also important that we take a minute to remember change is a natural progression in life, someone once said "If we don't change there would be no butterflies!" butterflies, like our children are beautiful, so we need to embrace the change. Remember if you have a question or concern please do not hesitate to contact school, our door is always open. Mrs Mowbray.
