Head Teacher's Hello

Dear all,

Ensuring our school remains well kept, especially our garden, takes a lot of hard work and dedication, as a small school our budget does not allow for the extensive care that this needs. On Friday evening last week and Saturday morning we had a "Ground Force Day" to complete essential jobs. I would like to personally thank Mr and Mrs Holcroft, the whole Campbell family especially Tyler (ex pupil) Mrs Wilcock, Mrs Tinsley, Ms Regan, Mrs Morgan and Mrs Porter. THANK YOU for your wonderful help on behalf of all our children.

As we look forward to the next two weeks off on holiday, please enjoy this time together, can I please remind all that attendance is vital for children's learning, socialisation and in fact is a legal requirement. Whilst I completely understand that as parents we are held to ransom by holiday companies however, school and children are working so hard to keep attendance levels high and increase our learning opportunities. Please ensure that you are aware of the term time dates to help us ensure that we are able to deliver learning to your wonderful children. Thank you, Mrs Mowbray,

We are a church school... celebrating British values and black history... Claudia Jones.

REFLECTION
BLACK HISTORY MONTH

Black history month was first launched in London in the 1980s, where the aim was for the local community to challenge racism and educate themselves and others about the British history that was not taught in schools. We are going to learn about that history every half term...

Can you think of how love never fails or how the Lord gives wisdom?

CLAUDIA JONES

Claudia Jones founded one of the biggest street parties the Notting Hill Carnival in 1959 to help uplift Black British communities following violent riots which broke out in the area the previous year. She continued her fight against racial inequality and eventually launched the West Indian Gazette, Britain's first Black commercial newspaper. Jones died on Christmas Eve in 1964 at the age of 49 following a heart attack. She is a business woman, author, and speaker. We are proud of you.

'Peep into Glazebury History from Logbooks - We are in possession of our school logbooks that date back to July 8th 1873, before we were even in our school building in 1882. We thought we would share some of the accounts with you each week.

1910-January 10th- re-opened school after holidays, a good attendance.
1910-January 28th- after very severe weather for the first four days of the week, today Friday brings a very heavy snowstorm, consequently the attendance is only 96 out of a possible 243 on books.
1910 March 22nd – a case of measles (i.e. Betty Hilton) has broken out. All the family are away from school.

1904-April 4th- School closed for Parish and Rural district council elections, school used as polling station.

Thank you to our wonderful volunteers

Thank you so much to our parents/grandparents and past pupils that gave up their own time last week to come into school to help with the outdoor painting to keep our outside grounds looking attractive and well kept for everyone to enjoy. Thank you so much

Year 2 Library Trip

Year 2 had a wonderful trip to Culcheth library earlier this week. They explored the different books and learnt about how you join the library and borrow books. Thank you to Culcheth library staff for looking after us.

Culcheth Cross Country

Wow! We are so proud of our children who proudly represented our school in a recent cross country event, showcasing not only their athletic abilities but also outstanding team spirit and determination. We are incredibly proud of their hard work, perseverance, and the way they supported one another throughout the competition. Well done.

Miss Russell – EYFS Apprentice Teaching Assistant

I am sure you will join us in wishing Miss Russell the very best wishes and good luck for her future as she gets married during the half term holidays. We look forward to seeing the photographs when she returns to school as Mrs. Heyes.

Toast -Healthy Snack

It's so important for your child to have a healthy snack at morning break to help energy levels. To save wondering what to pack each morning why not opt for our school kitchen to provide delicious, warm, healthy, hot buttered toast for your child to enjoy at break time.

This is provided at just 30pence per day, paid each half term.

Sign up on ParentPay at the start of next half term.

Monday 9th June 2025 – Year 6 Leavers

Reminder to our year 6 pupils as the first day back of half term they travel to Liverpool Cathedral to celebrate the end of their journey in primary school and transition to high school for the next stage of their education journey. During the next half term they will have many events to mark this occasion. Parents are welcome to attend the event, although they will have to travel to and from the Cathedral under their steam as our children will be going on a coach with another primary school.

Why Seat Belts Matter on EVERY Journey

Dear Parents,

Wearing a seat belt is one of the simplest and most effective ways to **protect yourself and your children in a car**. Accidents can happen at any time—even just a few streets from home.

In fact, many crashes occur **during short trips at low speed**. A seat belt keeps you securely in place, reducing the risk of serious injury or death.

Please make it a habit to buckle up every time, no matter how short the journey.

Aspirations Afternoon

After the great success of our Career Aspirations event last year, and a huge thanks to those that took part last year. We are pleased to say we are continuing this tradition. Our **HEART** curriculum includes a focus on ensuring our children have exposure to opportunities that may inspire them for the future. This event will allow children at Glazebury to discover the knowledge and skills they require for future learning and employment pathways. We would love for our children to experience as many varied careers as possible.

Do you or your company think you may be able to support this event and have the time to attend on Tuesday 1st July in the afternoon. (if you helped last year and are willing to do this again that would be fabulous)

What does it entail? - If you can attend and possibly bring any information or artifacts that represent your role, or any suitable equipment to bring your career to life. If you can talk to the children for about 5 minutes and be prepared for them, in year groups, to listen to your expert knowledge and ask questions. If you think you will be able to help and provide this vital service to expand our children's aspirations.

Please contact Mrs Holcroft for further details (glazeburyprimary@ldst.org.uk)

Please remember we are a nut free school, we have children in school with nut allergies, therefore please ensure your child's snack and packed lunch do not contain any nuts and check ingredients if you are not sure. Please **DO NOT SEND ANY CHOCOLATE SPREAD** products on sandwiches as some do contain nuts.
