

'Growing together at the Heart of God's Community'

11th October 2024 - Our "Value for life" is "Compassion".

"The Lord is gracious and compassionate slow to anger and rich in Love" Psalm 145:8

Head Teacher's Hello

Dear all,

Thank you for all the kind words in regard to putting on a creche for parents evening this week, we are trying our best to support parents/carers to enable unrestricted conversations to take place between our teachers and parents/carers. It was lovely to have parents/carers attend and see how your children are settling into the new year.

Autumn is such a lovely time of year, as leaves on many trees change their colours and we see the reds, yellows and oranges all around. They really give children an appreciation of nature and the world around them. On this note please can you also make sure that when walking to school you take care not to slip on the leaves – in school Mr Blower is trying his very best to clear the leaves from the paths... it is a bit like painting the Forth Bridge, no sooner are they moved, than the wind blows them back and more fall! Children however are taking a minute to reflect on the beauty of this time of year, one year two child said "it was raining colours like a rainbow"

Please remember our door is open and if you have any questions or concerns or if there is any way in which we can support you or your family, please let us know. Mrs Mowbray

We are a church school...

We have been discussing how Compassion and forgiveness go hand in hand – saying I'm sorry and saying I forgive you is following God's wishes

Childhood Flu Immunisation Programme

Information was emailed last week from the NHS school health team regarding childhood flu immunisation program which available for children from nursery to year 6.

NHS nurses are attending school on Tuesday 12th November to deliver flu immunisation to the children whose parents have requested and given consent. If you would like your child to receive, please sign up by return.

Nut Free School

Please be aware we are a **NUT FREE SCHOOL**. We have children and adults in school that are allergic to nuts, so we do not have any nuts on the school premises.

Please note that we have a large amount of school uniform, lots are unnamed – we will be having a table in the school hall of Friday straight after school. If you have items your children have lost, please come and see if they are here.

Please note: All children need a coat in school each day, so they have the opportunity to go outside. Many children are coming to school without, and as the weather gets colder it is important that we take every opportunity to be out that we can. Please can you make sure all coats are named. Thank You Mrs Mowbray

Attendance- Parents role:

Make sure your child attends every day!

97% is our whole school and LDST Attendance Target.

Notify the school as soon as possible on the first day of absence (by phoning the school office 01925 949 404).

We are here to support.

Try to make all medical appointments (doctors, dentist and hospital) out of school time.

Please note we require sight of appointment made.

Discourage your child from staying overnight with friends during the week. This sometimes leads to them both being late (or not attending at all) the next day.

Talk positively about going to school. Encourage your child to take responsibility for being on time for school ensuring they have a realistic bedtime and will not be too tired to get up in the morning for school.

Work with the school and the local authority to help them understand their/your barriers to attendance.

Proactively engage with the support offered to prevent the need for more formal support.

If invited to attend a meeting, come and speak to us. If your child is on an attendance support plan /attendance contract, ensure that actions that have been agreed are undertaken.

Monitor your child's internet and social media use to ensure they are not experiencing any difficulties that may prevent them from wanting to attend school.

Leave of absence during term time is **not a parental right**. If there are special or exceptional circumstances, please contact the Headteacher and complete the correct school documentation and a decision will be made if the absence can be authorised or not.

Further government guidance on information around potential fines for missing school are provided through the following link:

<https://educationhub.blog.gov.uk/2024/08/19/fines-for-parents-for-taking-children-out-of-school-what-you-need-to-know/>

Is my child too ill for school?

It can be tricky deciding whether to keep your child off school or nursery when they are unwell. There are government guidelines for schools and nurseries, these say when children should be kept off school and when they shouldn't. <https://www.nhs.uk/live-well/is-my-child-too-ill-for-school> If you do keep your child at home, it's important to phone school or nursery daily.
