20th June 2025 - Our "Value for life" is Hope
There is always Hope. Psalm 73:26

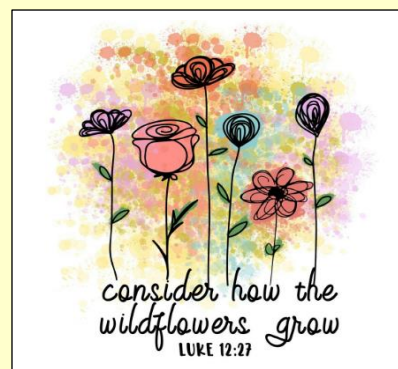

Head Teacher's Hello

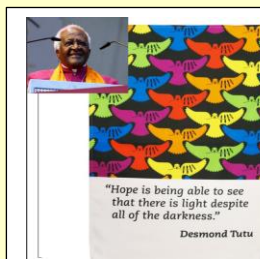

Dear all,

This week started off with Tessellation as every class had a suitable project to complete to experience math, one year 2 child said " Math really is fun" it is good to hear that children are enjoying learning. Children have also been working hard in all areas of learning, the whole school are completing their environmental science project based around recycling, keep a watch out for children's questions to start especially about recycling in the home, so children can help our world in knowing how we can conserve our earth's resources.

Our children have been discussing how to care for and respect our school environment. Children are exploring ways to keep our classrooms, playground, and garden clean and welcoming for everyone. Pupils are learning about sustainability and looking after plants and wildlife in our school garden. Showing kindness to nature and each other, an example of following golden rules and becoming thoughtful stewards of our surroundings, Mrs Mowbray

Hope and Desmond Tutu...

Desmond Tutu is a Christian Bishop who worked for the Church in South Africa. When he was growing up people of different colour had to do everything separately. This system was called "Apartheid" and separated communities. He spent many years fighting for justice for ALL the people of South Africa so that they would all be treated equally. He knew that injustice was against God's wishes, and at the end of apartheid he talked about his people being "Rainbow people of God"

Our Trust's Prayer

Heavenly Father,

Let peace, friendship and love grow in our schools.
Send the Holy Spirit to give excellence to our learning,
love to our actions and joy to our worship.

Guide us to help others, so that we may all

Learn, Love and Achieve,

Together with Jesus.

Amen

'Peep into Glazebury History from Logbooks - We are in possession of our school logbooks that date back to July 8th 1873, before we were even in our school building in 1882. We thought we would share some of the accounts with you each week.

1902 – December 2nd ~ Attendance lower than ever today. Fresh cases keep occurring of whooping cough, out of a register of 28 in standard 1 class only 8 are present. This standard has suffered most severely in the mixed department. In the two infants department only 27 are present out of a register of 85.

1903 – January 5th – Both attendance officers attended this week average still low for infants owing to whooping cough.

1903 February 5th – Took boys out for a game of football in place of drill.

We do have nursery places available – please let anyone know who may be interested and ask them to contact us on 01925 949404 to book an appointment for a look around.

School Photographs

Our school photographer is coming into school on **Tuesday 24th June 25** in the morning. Photographing our year groups, our year 6 leavers and our nursery children who are graduating from their nursery years and starting reception class in September 2025. They will be in school **from 8:30am**, if your child doesn't usually attend on a Tuesday morning, you can call into school with them just before 9am so they can have their photograph taken, please can you let the school office know if you are coming in so we can confirm times.

Please remember **we are a nut free school**, we have children in school with nut allergies, therefore please ensure your child's snack and packed lunch do not contain any nuts and check ingredients if you are not sure. Please **DO NOT SEND ANY CHOCOLATE SPREAD** products on sandwiches as some do contain nuts.

Changeable Weather

As our weather is ever changeable and forecasts not always accurate, please can you ensure your child is prepared for all weather as we encourage children to play out when possible. **Please ensure your child always has their PE kit in school, a coat and a sunhat.** If the forecast looks hot and sunny in a morning, **please apply sun cream before arriving at school.** For nursery children or children staying for after school clubs, you can send suncream into school but only if accompanied by a completed school medical form. **Please do not just put cream into your child's bag without completing a medical form.**

Aspirations Afternoon

After the great success of our Career Aspirations event last year, and a huge thanks to those that took part last year. We are pleased to say we are continuing this tradition. Our **HEART** curriculum includes a focus on ensuring our children have exposure to opportunities that may inspire them for the future. This event will allow children at Glazebury to discover the knowledge and skills they require for future learning and employment pathways. We would love for our children to experience as many varied careers as possible.

Do you or your company think you may be able to support this event and have the time to attend on Tuesday 1st July in the afternoon. (If you helped last year and are willing to do this again that would be fabulous)

What does it entail? - If you can attend and possibly bring any information or artifacts that represent your role, or any suitable equipment to bring your career to life. If you can talk to the children for about 5 minutes and be prepared for them, in year groups, to listen to your expert knowledge and ask questions. If you think you will be able to help and provide this vital service to expand our children's aspirations.

Please contact Mrs. Holcroft for further details (glazeburyprimary@ldst.org.uk)

What a fantastic achievement we want to share with you, Jack, year 5, and George, reception, have recently completed their grading at Ju-jitsu. George earned his yellow belt, and Jack earned his blue belt. The boys absolutely love it! Well done, we are all very proud of you.

Many of our children take part in a whole wide range of activities outside school. Football, music, dancing, gymnastics, rugby, karate to name but a few. We would like to hear about their achievements, share with our Glazebury family via our weekly newsletter. So, we can all be aware and proud of our children's achievements. Please can you speak to or email the school office Glazeburyprimary@ldst.org.uk with their achievements and we can include them in our newsletter.

Is my child too ill for school?

It can be tricky deciding whether to keep your child off school or nursery when they are unwell. There are government guidelines for schools and nurseries, these say when children should be kept off school and when they shouldn't. <https://www.nhs.uk/live-well/is-my-child-too-ill-for-school> If you do keep your child at home, it's important to phone school or nursery daily.

ATTENDANCE

Whole school attendance so far, this academic year is 95.5%.
