'Growing Together at the Heart of God's Community'

"Growing together at the heart of God's community"

Trust Prayer:

*We thank you, God of Love, for the gift of children,
bless the work of our Trust, that in all we do
young people may grow in wisdom and stature,
and so come
to know you,*

*to love you
and to serve you,
as Jesus did.*

*We make our prayer in his name who is God
with you and the Holy Spirit, now and for ever.*

Charging & Remissions Policy

Rationale

In accordance with the Education Reform Act 1988 the policy of the Governors of Glazebury CE Primary School is to ask parents to make a voluntary contribution for various trips events organised. (This does not apply to board and lodging for residential fieldwork visits.) When teachers arrange educational visits for their class or group of children an amount will be suggested to cover costs only.

Purposes

- to help our pupils to develop their knowledge and understanding of the world by maximising on visits and other resource stimuli to support their learning
- to inspire, motivate and excite our pupils, building on their enjoyment through a variety of educational experiences, visits and visitors, to support their learning
- to help our pupils to maintain their own and each other's self-esteem
- to present opportunities for our pupils to explore their feelings, attitudes and needs
- to help our pupils to develop their knowledge and understanding of themselves
- to encourage the development of personal and social skills which enable children to begin responsibility for their behaviour and health
- to encourage our pupils to participate in healthy activities
- to encourage participation by the 'whole' school community, including pupils, teaching and non- teaching staff, parents and governors
- to promote a quality of opportunity for all pupils irrelevant of their age, race, religion and social economic background
- to ensure the well-being and safeguarding of all our pupils

Broad Guidelines

1. For school trips we always ask for a voluntary contribution. There is no obligation for parents to contribute, and your son or daughter will not be treated differently whether you contribute or not. However, if sufficient resources are not available for the visit, then the visit will have to be cancelled.

Voluntary contributions may be sought for activities during the school day which entail additional cost, for example.

- Visits to museums and places of interest
- School trips
- Musical events

- Theatre visits
- Sporting activities which require transport expenses
- Outdoor adventure activities.

All trips that are arranged are non-profit making and we try to ensure we get competitive prices.

If parents have any concerns regarding payments for school trips, events or residential then please do not hesitate to contact the school office to make an appointment with the Head Teacher where circumstances can be discussed and reviewed on a one-to-one basis.

2. Pupils accessing Free School Meals or Pupil Premium are entitled to additional funding which can be used towards school trips or other additional costs such as clubs and wrap around. For any overnight trips the school cannot charge board/lodgings or food if your child is in receipt of FSM's. Each case is assessed on a 1:1 basis and by individual arrangement. Please arrange to discuss with the school.
3. If there are twins, triplets, siblings attending the same trip, we appreciate this can be costly event and will always endeavour to do all we can to assist with the costs. We can arrange for the first child to be charged at the full price and subsequent multiple births to be at half the rate. Please speak to the Head Teacher/ School Business Manager if you would like to discuss and access this arrangement.
4. There is a charge for school meals which is in line with the charges from the Education Authority. The charge at present is £3.05 per day, however, is reviewed and adjusted by WBC not the school.
