### Head Teacher's Hello:

Welcome back, I hope you have all had a lovely break, I can hardly believe that this is the last half term of this academic year... I have **nearly** been at Glazebury for a year and the time has flown! We have still more exciting events on the way. The Reading challenge is back and all pupils reading 4 times and recording a week will be able to be rewarded with their own book in week 5. I have been busy fitting out the shed Mrs Holcroft donated and it is now a Reading Shed for the children, pop into the key stage 1 playground and have a look. We also have a Math mastery workshops for **you** (key stage 1 first). Come and find out what it is all about and how to support your child in Math. Sports day is also on it's way and we will have two plans, one will include a wet weather option... We will not be cancelling this year Yay! Remember if you have any questions or concerns my door is always open. Mrs Mowbray.

**E-Safety** E-safety Parent Presentation – Wednesday 13th June at 3.15pm – we have arranged for our Youth Engagement Officer PC Becky Blackledge to come into school to talk to the pupils of Year 3 to Year 6 about the importance of staying safe on-line. She is also going to do a Parent Presentation to all Parents across school for how they can help their children and things to be aware of. We do hope you can attend this informative session.

With the weather being so nice please familiarise yourself with our Sun Safety Policy which can be found on our website under Policies as we hope the good weather will continue.

A reminder to parents that children must have their PE Kits in School. There is a number of PE kits that have not been returned to school after the half term. Thank you in advance.
