Head Teacher's Hello

Dear all,

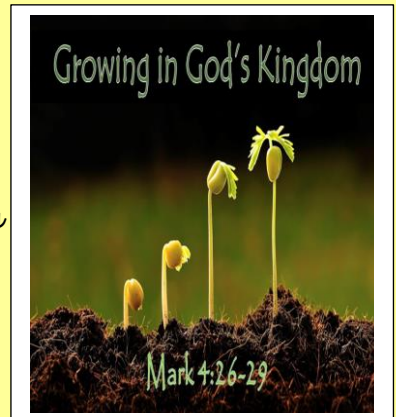

Welcome back to our last half term of the summer, this half term is the half term of transition and growing. We are all working to support each other through the changes, celebrating the achievements and acknowledging the growth for the future. So, let's take each week to grow together.

This week in school we have had our lovely year one children undertaking Phonic screening to see how they have grown in their phonic skills, the children were so keen to read - we truly are a reading school - well done to All our fantastic year 1 children - you blew my socks off!

Year 6 went to the Liverpool Cathedral this Wednesday with 750 other year 6 children. You would have been so proud, the behaviour was exemplary, we sang, joined in, watched a dramatic retelling of the walls of Jericho tumbling down! It was a wonderful experience.

We have also had another hedgehog walking around the playground this week and our own Mr Prescott has rescued it (thank you) and we have put it into our garden for it to be safer.

May I also say thank you to Mrs Holcroft and the office team for going above and beyond this week - we have all been like swans...calm to onlookers but madly working underneath to ensure our phone lines, communication and systems are back up and running. Have a lovely week ahead Mrs Mowbray

We are a church school...

This half term we are looking at the Christian value of Hope, we thought about how it felt when we are in the dark, like at bedtime, and how light can guide us to see so that we might avoid things that might harm us. We often say Jesus is the light of the world and we are exploring how this knowledge will help us in life. **E**-Embracing Christian values.

Education update: where we inform on educational research and thinking.

How do we monitor the quality of education in school? Here at Glazebury we have a raft of measures to monitor, we have Head Teacher drop ins, lesson observations, book looks, and learning walks. Over this half term I will be letting you know what we do in each, taking you behind the scenes in school... more next week.

The HEART of our Curriculum:

- H** - Helping children prepare for life, growing with God.
- E** - Embracing Christian Values.
- A** - Achievement for all.
- R** - Reading at the heart of our school
- T** - Teaching a knowledge rich curriculum.

Congratulations to our lovely Ms Bimson who got engaged during the holidays. Sending our love and best wishes to the happy couple.

Our Trust's Prayer
Heavenly Father,
Let peace, friendship and love
grow in our schools.
Send the Holy Spirit to give
excellence to our learning,
love to our actions and
joy to our worship.
Guide us to help others,
so that we may all
Learn, Love and Achieve,
Together with Jesus.
Amen

Glazebury C of E are proud to host our first "Career Aspiration Day" which will be held in our school hall. Our **HEART** curriculum includes a focus on aspirations. This event will allow children at Glazebury to discover the knowledge and skills they would require for future learning and employment pathways. We would love for our children to experience as many varied careers as possible.

Do you or your company think you may be able to support this event and have the time to attend on Tuesday 27th June in the afternoon?

What does it entail? - If you can attend and possibly bring any information or artifacts that represent your role, or any suitable equipment to bring your career to life. If you can talk to the children and be prepared for them, in year groups, to listen to your expert knowledge and ask questions.

If you think you will be able to help and provide this vital service to expand our children's aspirations Please contact our school office for further details (glazeburyprimary@ldst.org.uk)
