

## 'Growing together at the Heart of God's Community'

27<sup>th</sup> September 2024 - Our "Value for life" is "Compassion".

"The Lord is gracious and compassionate slow to anger and rich in Love" Psalm 145:8

Head Teacher's Hello

Dear all,

We hope that you enjoyed the Phonics Meeting in school this week, it was really well attended, and if you have any further questions on the foundations of reading, please do not hesitate to ask, we would love to support further.

Our attendance team met last week and will be launching their new initiative to show how important attendance in school is for us all – I certainly will be looking forward to seeing their posters. Can you all accept my apologies, but our badges have still not arrived!!! We have called and hope for them to be here for next Friday's Celebration Worship. I can't wait to give them out.

Please can I remind all that its really important that snacks at break are not crisps...not only are they not healthy but not accepted in school – we do have toast every day available and its lovely and healthy.

Children in school this week have all been working hard and enjoying school life, I can't wait to see you all at the MacMillian coffee afternoon for a cause near to all our hearts- If you have any questions or concerns, please remember our door is always open. Mrs Mowbray

"God is Love" John 4:8

We are a church school...

This week we are looking at compassion towards everyone is important and how we can honour and respect older members of our families and communities.

In the bible there is a whole book devoted to telling the story of a remarkable woman called Ruth. She is remembered for her courage and devotion especially in how she showed compassion to her mother-in-law, Naomi.

**School Weathervane**

Last week Mr Blower had his drone in school to survey our roof to check the condition before winter starts. He took this wonderful photograph of the beautiful weathervane on top of our school chimney. We shared this on 'I Love Glazebury' group and were blown away with the responses, a local Glazebury man Mr Frank Lyon got in touch to say how much it meant to him that it was noticed and that it had been made by his late father Frank Lyon and donated to our school (around the 1990'S). If you haven't noticed it, please take a few minutes to view this lovely part of Glazebury history.

**PTA Raffle for School Funds – A Family Ticket at Partridge Lakes Halloween Event.**

Our PTA are selling raffle tickets on the playground after school for £1 a strip for the chance to win a family ticket, kindly donated by Partridge Lakes for their fantastic Partridge Lakes Halloween Event, taking place during October. You can either pay cash or you can pay via the ParentPay app and collect your raffle tickets from the office. The raffle will be drawn during collective worship next Friday 4<sup>th</sup> October.

 **Glazebury History** 

Watch this space, Mrs Goman is extremely passionate about History and her passion has been sparked after seeing our weathervane and what this means to local people. We have lots of old logbooks and photographs of the school and village over the years and there is so much history to our lovely small old school. In summer term 2025, Mrs Goman is going to organise a Glazebury history exhibition and invite past pupils to come and view our school and also share some of their memories and history to add to our records.

**Roof Repairs**

Just a little update regarding the school roof; with the rain and winds over the summer, we have found some slates have become dislodged on our 140 year old, roof! As some have shifted slightly, we want to make sure that we are all safe and this has been risk assessed and as a precaution we have coned off a small section of the back small playground, while we have contractors take a look and let us have quote for the repair. We will get this resolved as soon as we possibly can.

THIS SCHOOL IS A **NUT FREE ZONE!** **Nut Free School**

Please be aware we are a **NUT FREE SCHOOL.** We have children and adults in school that are allergic to nuts, so we do not have any nuts on the school premises. Please bear this in mind, when preparing school packed lunches and snacks. Thank you in advance for your co-operation.

It can be tricky deciding whether to keep your child off school or nursery when they are unwell. There are government guidelines for schools and nurseries, these say when children should be kept off school and when they shouldn't. <https://www.nhs.uk/live-well/is-my-child-too-ill-for-school> If you do keep your child at home, it's important to phone school or nursery on the first day.
